Vote Of Intolerance:

Vote of Intolerance Josh McDowell, Ed Stewart, 1998 *Vote of Intolerance* a novel by John McDowell and Ed Stewart is a finely crafted political thriller that raises knotty questions How should we respond to a culture with aberrant lifestyles How do we protect our families from the dangers of a corrupt culture

The Rule of Law, Freedom of Expression and Islamic Law Hossein Esmaeili, Irmgard Marboe, Javaid Rehman, 2017-12-14 The importance of the rule of law is universally recognised and of fundamental value for most societies Establishing and promoting the rule of law in the Muslim world particularly in the Middle East North Africa and Central Asia has become a pressing but complicated issue These states have Muslim majority populations and the religion of Islam has an important role in the traditional structures of their societies While the Muslim world is taking gradual steps towards the establishment of rule of law systems most Muslim majority countries may not yet have effective legal systems with independent judiciaries which would allow the state and institutions to be controlled by an effective rule of law system One important aspect of the rule of law is freedom of expression Given the sensitivity of Muslim societies in relation to their sacred beliefs freedom of expression as an international human rights issue has raised some controversial cases This book drawing on both International and Islamic Law explores the rule of law and freedom of expression and its practical application in the Muslim world

The Public, 1916 *The Civic Gospel* William M. Reynolds, Julie A. Webber, 2009-01-01 This book is a result of the times in which we are living These times demand a response When the authors began to write this book it was not popular to dissent against the Bush administration In fact dissent was and still is equated with terrorism Now it might seem that the tide is turning and maybe after the 2008 election some of this nightmare we have been experiencing will change At least that is the optimistic view But there are small traces that the struggle the authors discuss in this book will continue well into the 21st century The intermingling of the political and the religious is still swirling in the present context *The Civic Gospel* as the authors discuss it is the notion that preaching the Gospel is preaching politics and vice versa This book is about that struggle and the issues related to it

Good Housekeeping, 1928 *Democratisation, Governance and Regionalism in East and Southeast Asia* Ian Marsh, 2006-09-27 This book provides a comparative study of the development of central institutions of governance in the emerging democracies of East and Southeast Asia There are no other books exploring these developments on a region wide scale Democratisation governance and regionalism in East and Southeast Asia is taught worldwide on politics and Asian studies course This book presents new comparative data on drawn from a survey of opinions in these regions as well as identifying the emerging challenges
