## **Voyage For Continuity Challengers:**

**Director from the Outside** S.T. Evensen, 2006 The theme of the book is NEWS every day due to Globalisation INTERNET and a lack of ability to reform and due to fact that platforms of power and adjacent positions are at stake This is a fact whether it concerns a Corporation a Nation or an International Body for Relief and Development supposed to serve a higher end Two women and two men met to address ethics and enterprise It became a Voyage for Continuity and resulted in the writing of a trilogy This book follows up a trilogy Voyage for Continuity the Altruistic Gene It explains the need of pro active guardians of pluralism namely the elected and thereby legitimate persons in vital positions on bodies of governance like a Senate a Commission and a Supervisory Board The Challenge of altruistic senators independent commissioners outside directors is to serve and to assure even the Adversaries of Pluralism Transparency and Enlightenment Fair Play and Separation of the Roles Institutional Development and free Access to adequate Public Basic Infrastructure Gender Equality Protection of the Positive and the Negative Rights of the Citizen Proper Representation of the Needs and the Interests of the Atomist There must be Protection of the elected Pro Active Guardians of Pluralism whether the Adversaries of Pluralism like it or not Progress of the above factors can build Public Trust and prevent that the Main Parties at play each and everyone will cater for themselves The Majority of Mankind fears Obscurantism and its Consequences Obscurantism the holding back in self interest can be found everywhere This book focuses on the Role of an Outside Director in a Legal Entity or a Public Infrastructure Activity but the same professional standards apply to the elected Independent Commissioner and the elected Altruistic Senator they are Pro active Guardians of Pluralism The book is a commemoration of a female professional who died alone and unprotected because she became a risk to a multi role corporate powerhouse with something sinister to hide They could not let her witness she would not let herself become a hostage and an accomplice to their scam Stances for Pluralism Transparency and Enlightenment need Protection since the individual Director Commissioner Senator is a visible and simple Target for the diverse powerful Obscurantists French the Partisans of Obscurantism and if so then we you I are also at risk or we are all losing indirectly The book sketches a roadmap to healthier democracies which are robust enough to let populism fundamentalism and extremism play their tunes subject to no violation of the rights of innocent bystanders potential and existing followers It advocates dialogue but not the illusion of one consensus based on the leading sentences of central players for the benefit of a hidden agenda or pure self interest The roadmap contains parallel reinforcing initiatives for reform and improvement of International Movements like the religious ones and Intl Organizations like United Nations and its Network of Member Nations as well as of Unions of Nations like the EU It is a model of thought for pluralism and transparency inspired by democratic values The Goal and the final Test The Say of the Electorate shall prevail when Election day is over It shall do so by means of fit and proper Representation and pro active Protection of the Atomist an individual without influence alone
