**Waiting for the Mahatma** R. K. Narayan, 2000 The first that indolent young Sriram knows about Mahatma Gandhi's visit to Malgudi is when a collection box is waved beneath his nose by the most beautiful girl he has ever seen The vision's name is Bharati Capable and quick-witted her scorn for her gauche but ardent admirer is almost equal to her devotion to the Mahatma Yet that is how Sriram leaves Malgudi to become a passionate apostle of the Quit India campaign only to find his convictions tested by the rigours of a prison cell [Waiting for the Mahatma](#) Rasipuram K. *Waiting For Mahatma* R. K. Narayan, 2016-10-27 Set against the backdrop of the Indian Freedom Movement this fiction novel from award winning Indian writer R K Narayan traces the adventures of a young man Sriram who is suddenly removed from a quiet apathetic existence and owing to his involvement in the campaign of Mahatma Gandhi against British rule in India thrust into a life as adventurously varied as that of any picaresque hero There are writers Tolstoy and Henry James to name two whom we hold in awe writers Turgenev and Chekhov for whom we feel a personal affection other writers whom we respect Conrad for example but who hold us at a long arm s length with their courtly foreign grace Narayan whom I don t hesitate to name in such a context more than any of them wakes in me a spring of gratitude for he has offered me a second home Without him I could never have known what it is like to be Indian Graham Greene R K Narayan has been compared to Gogol in England where he has acquired a well deserved reputation The comparison is apt for Narayan an Indian is a writer of Gogol s stature with the same gift for creating a provincial atmosphere in a time of change One is convincingly involved in this alien world without ever being aware of the technical devices Narayan so brilliantly employs Anthony West *The New Yorker*

*The Indian English Novel* Priyamvada Gopal, 2009 The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English It is often claimed that unlike the British novel or the novel in indigenous Indian languages Anglophone fiction in India has no genealogy of its own Interrogating this received idea Priyamvada Gopal shows how the English language or Anglophone Indian novel is a heterogeneous body of fiction in which certain dominant trends and

recurrent themes are nevertheless discernible It is a genre that has been distinguished from its inception by a preoccupation with both history and nation as these come together to shape what scholars have termed the idea of India Structured around themes such as Gandhi and Fiction The Bombay Novel and The Novel of Partition this study traces lines of influence across significant literary works and situates individual writers and texts in their historical context Its emergence out of the colonial encounter and nation formation has impelled the Anglophone novel to return repeatedly to the question What is India In the most significant works of Anglophone fiction India emerges not just as a theme but as a point of debate reflection and contestation Writers whose works are considered in their context include Rabindranath Tagore Mulk Raj Anand RK Narayan Salman Rushdie Nayantara Sahgal Amitav Ghosh Arundhati Roy and Vikram Seth
