Horizons Blossom, Borders Vanish Anna Elena Torres, 2024-01-01 A bold recovery of Yiddish anarchist history and literature Spanning the last two centuries this fascinating work combines archival research on the radical press and close readings of Yiddish poetry to offer an original literary study of the Jewish anarchist movement The narrative unfolds through a cast of historical characters from the well known such as Emma Goldman to the more obscure including an anarchist rabbi who translated the Talmud and a feminist doctor who organized for women s suffrage and against national borders Its literary scope includes the Soviet epic poems of Peretz Markish the journalism and modernist poetry of Anna Margolin and the early radical prose of Malka Heifetz Tussman Anna Elena Torres examines Yiddish anarchist aesthetics from the nineteenth century Russian proletarian immigrant poets through the modernist avant gardes of Warsaw Chicago and London to contemporary antifascist composers The book also traces Jewish anarchist strategies for negotiating surveillance censorship detention and deportation revealing the connection between Yiddish modernism and struggles for free speech women s bodily autonomy and the transnational circulation of avant garde literature Rather than focusing on narratives of assimilation Torres intervenes in earlier models of Jewish literature by centering refugee critique of the border Jewish deportees immigrants and refugees opposed citizenship as the primary guarantor of human rights Instead they cultivated stateless imaginations elaborated through literature *Free Spirit* Sundance Burke, 2008-02 *Free Spirit* speaks as freedom which is our Consciousness the sweet essence of our lives The freedom spoken here is an inner knowing We cannot realize this liberation by catering to our bodies emotions or minds No this freedom is spiritual an altitude of perception that only arises when we are lighter than our surroundings We can realize this lightness of being if we are willing to abide as Awareness and let go of the ego the one who suffers mind For this enlightenment to happen a quiet mind is all we need Why do anything for this when only our stillness will suffice Be silent be still be free Within this book you will find answered and unanswered questions humor poetic prose experimentation with consciousness and passages that illuminate the sense that we are more than our thoughts emotions senses body and energy Every word is sourced by the power of silent Truth Without

contradicting this source the writing inspires our active participation in the realization of Spirit as only our direct experience is of value to this awakening For those of us who desire to be free the author takes us by the hand and walks with us through the entire landscape of the egoic mind until we reach its outer boundary Here we are invited to take a leap of Self faith into simply being who we are right now Free Spirit **Interior** ,1921 **Andover Newton Bulletin** ,1930 *Poor White*
