## Wind Caller:

**The Wind Caller** P. D. Cacek, 2018-02-03 Listen to the leaves rustling Hear the wind building These could be the first signs that Gideon Berlander has found you They could be the last sounds you hear Gideon hasn't been the same since that terrifying night in the cave the night he changed forever the night he became a wind caller But the power to call upon and control the unimaginable force of the wind it all its fury has warped him twisted his mind and unleashed a virtually unstoppable monster Those who oppose Gideon are destroyed horribly No one can escape the wind And no one not even Gideon knows what nightmarish secrets wait in its swirling grasp Wind Caller's Children Amanda Cockrell, 1996 Out of Breath dreams of a powerful white animal that runs unseen through the desert as quickly and easily as water runs through his fingers His people tell him that visions are suspect But he leaves to search the desert himself and returns leading a beast no one has ever seen before a tall bony creature who says its name is Horse The people of Red Earth City are afraid of it all except the beautiful willful Wants the Moon who first thinks of riding on its back Together Out of Breath and Wants the Moon will prove what Horse means to their people and to the Buffalo Hunters of the Grass The Wind's Call T.A. White, 2019-09-25 Scarred by her past defined by her future Eva is a herd mistress without a herd A tagalong by her own definition Not thrown away by her people but rather someone who created a new life for herself when the old one died When she rescues one of the mysterious winged horses a creature straight out of myth from those who would enslave him Eva opens the door to something her chosen people want more than anything else An alliance Now sent deep into the Highlands and guarded by one of the Warlord's most trusted warriors Eva will have to brave the terrors that wait there Someone is sowing the seeds of dissent upon which war turns Failure will lead to death but success may bring revelations she's not ready to face The balance of power is shifting in the Broken Lands Those who survive will need to adapt quickly to the ever-changing landscape Choosing her friends wisely has never been so important *Storm Caller* Carol Severance, 2014-04-01 Legendary island warrior Iuti Manu is seeking refuge from her murderous brothers across the Empty Sea Accompanied by Tarawe the Storm Caller Iuti flees her brothers' revenge for destroying the family's totem the shark god But the sea does not live up to its name On what is supposed to be an empty wet wasteland is a distant island On this island mirage the earth is rumbling and the dolphins are battling the birds for possession of the air as well as the sea The only inhabitants are bloodthirsty bird worshippers who are searching for a fresh sacrifice Iuti must battle her nemesis alone but only when the Storm Caller has mastered the art of controlling the winds and water Together they help repair the broken magic of the sea *California. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
