This book reflects an evolving approach to authorship where the integration of technology and human experience offers readers a well-rounded, thoughtful guide.

The Future of No Work: Master AI, Gain Superpowers, Earn More and Live by Your Own Rules Filip Drimalka, 2025-04-10

We have been told for ages that technology would make our lives easier. Instead, we increasingly find ourselves drowning in tedious tasks and feeling trapped in the daily grind, overflowing calendars, endless to-do lists, and a never-ending stream of interruptions. And since we're always connected, our work never seems to end. Fortunately, the AI revolution is here. And it's about to change everything. Imagine a world where technology finally starts taking care of all the boring stuff, so you can focus on what really matters to you. Where smart AI apps empower you to create anything you can imagine, and even things you never would have thought of. Where you have the power to redesign work around your life, not the other way around. This is the era of No Work. It's not about escaping work, but about using our skills and leveraging the possibilities unlocked by AI, so that our days are primarily comprised of the things we are passionate about. Because that's how we can create something extraordinary. Inside this book, you'll find hundreds of practical examples and tips: How to find, select, and use the right digital tools for anything you do.
