## **Teach Your Team To Fish:**

*Teach Your Team to Fish* Laurie Beth Jones, 2011-12-07 Laurie Beth Jones has given hundreds of thousands of business readers insight into how the ideas of Jesus can be used to enhance performance. One of the most critical work areas for anyone whether a manager or a CEO, a teacher or a pastor is cooperative teamwork. Leaders today face their greatest challenges not only in defining strategies and getting updated information but also in getting diverse human beings to pull together without falling apart. Jesus can be a role model for team leaders everywhere. When Jesus called out to his future disciples, "Follow me and I will make you fishers of men," he transformed them from people who worked for themselves to people who were part of a larger team. Jesus was constantly exhorting his people to gather in my name and go out two by two and always think and pray as one. Jesus' final prayer was that they might be one Father, even as you and I are one, which is ultimately about union and communion, common values and purpose, all of which form the bedrock of an inspired team. *Teach Your Team to Fish* offers dozens of stories from the Bible showing how Jesus managed his team of disciples and other followers with suggestions for how to apply these lessons to real world teambuilding and management problems. It offers guidance and inspiration on how to excite your team in order to motivate them, how to ground them so they'll be realistic about what can be achieved, how to transform them into a truly well functioning team, and how to release them into the world to improve other teams elsewhere. Along the way, the book gives examples of companies in which teams work well together and offers lessons that can help team leaders everywhere sustain themselves and achieve their common goals.

**Leadership** Jay Franze, 2018-08-03 This book will provide any manager with the guidance necessary to become a leader. Whether you are new to management or a seasoned professional, this book should never leave your side. The ultimate goal is to provide lessons from the field that will take you from manager to leader. *Humanity's Edge* Baiju Solanki, 2026-03-30 Presents a transformative approach to leadership from award winning psychologist, businessman, and global speaker Baiju Solanki. Leadership doesn't have to be complicated, and Baiju Solanki has spent his career proving just that. In *Humanity's Edge: How Self Leadership and Accountability Build High Performing Teams in the Age of AI*, the award winning businessman, psychologist, and founder of EnSpirit Global draws on decades of experience helping CEOs, entrepreneurs, and senior leaders unlock their full potential. Blending academic insight with hands-on corporate expertise, Solanki redefines leadership for the modern age, one that prioritises authenticity, accountability, and connection over jargon, ego, and control. With his trademark straight talking and practical style, Solanki explores why self leadership is the key to inspiring others and creating lasting cultural change. He guides readers through the principles of clarity, humility, and self awareness, whilst showing how these qualities translate into empowered teams and sustainable performance. Grounded in the author's work as a psychology lecturer, sales director, and high performance coach, *Humanity's Edge* reveals how to create a culture that thrives even amidst the complexities of hybrid working and AI driven transformation. Offering a clear, compassionate blueprint for leaders who

want to elevate both their people and their performance *Humanity's Edge* Offers real life lessons from a global leadership and performance expert Demonstrates how self leadership drives authentic accountability and cultural alignment Draws on insights from academia sales leadership and executive coaching Helps leaders navigate AI driven and hybrid workplaces with confidence Encourages self awareness clarity and purpose as the foundations of success Includes proven tools to develop empowered self policing teams Packed with actionable strategies and grounded in real world experience *Humanity's Edge How Self Leadership and Accountability Build High Performing Teams in the Age of AI* is essential reading for CEOs business owners and senior leaders aiming to build authentic high performing teams It is also ideal for leadership development and executive coaching programmes and postgraduate courses in management organisational psychology and leadership strategy
