government the Seminoles took a warriorlike approach to financial risk management Their leader was the sometimes charming sometimes crass and explosive always warriorlike James Billie who twice led the tribe in fights with the State of Florida that led all the way to the US Supreme Court Patricia Riles Wickman who lived and worked for fifteen years with the Seminole people chronicles the near meteoric rise of the tribe and its leader to the pinnacle of international fame and Billie s ultimate fall after twenty four years in power Based partly on her own personal experiences working with the Seminole Tribe of Florida Wickman has produced an in depth study of the rise of one of the largest Indian gaming operations in the United States that reads almost like a Capote nonfiction novel
