The Human Boy Eden Phillpotts, 2017-11-05 **The Complete Human Boy** Eden Phillpotts, 1930

The Human Boy Eden Phillpotts, 1913 *The Human Boy* Eden Phillpotts, 2021-01-01 Written by famous writer Eden Phillpotts *The Human Boy* was a collection of schoolboy stories in the same genre as Rudyard Kipling's *Stalky Co* though different in mood and style It was first published in the year 1899 **The Human Boy Again** Eden Phillpotts, 1908 [The Human Boy Again](#) Eden Phillpotts, 2014-11-04 Example in this ebook No I PETERS DETECTIVE Being from the first the chum and friend of Peters I can tell about his curious ways better than anybody In fact we shared our pocket money which is always a great sign of friendship and it was understood that if ever I got into trouble when I grew up and was accused of murder or forgery or anything like that which does often happen to the most innocent people Peters would give up anything he might be doing at the time and devote his entire life to proving me not guilty I remember well the day he came I was in the big school room at the fire roasting chestnuts and talking to Gideon and Shortland and Fowle were also there The Doctor came in with a new boy and said Ah There are some of the fellows by the fire Peters Then he called out to Shortland and me and said Shortland and Maydew this is Peters Make him welcome and if there are chestnuts going as I suspect share them with him Then the Doctor went off to have some final jaw with the mother of Peters and Peters came down the room and said Good evening in a very civil and quiet tone of voice He was thin and dark and when he warmed his hands at the fire it was easy to see the light through them He also had a pin in his tie in the shape of a human skull about as big as a filbert nut with imitation ruby eyes We asked him who he was and he said he came from Surrey and that his father had been a soldier but was unfortunately dead His name was Vincent Peters Then Shortland who is a silly beast and a bully and only in the lower fifth though quite old and in fact his voice has broken down asked Peters the footling question he always asks every new boy He said Would you rather be a greater fool than you look or look a greater fool than you are Of course whatever you answer you must be scored off But young Peters seemed to know it Anyway instead of answering the question he asked another He said Would you rather be uglier than you look or look uglier than you are Gideon was interested at this because it showed at once Peters must be a cool hand What are you going to be Gideon asked and then came out the startling fact that Peters hoped to be a detective of crime If you go detecting anything here you'll get your head punched said Shortland I may or I may not answered Peters But it's rather useful sometimes to have a chap in a school who has made a study of detecting things You can begin to night if you like I said because Johnson major's bat was found to have seven tin tacks hammered into it last week when he took it out of the case to give it a drop more oil and if you find out who did that I've no doubt that Johnson major will be a good friend to you him being in the sixth and captain of the first at cricket I don't know enough about things yet answered Peters Besides you have to be sure of your ground In detecting you may make friends or you may not but you will make enemies to a dead certainty In fact that's the drawback to detecting Look at Sherlock Holmes That's only a

yarn said Gideon But Peters wouldn't allow this He evidently felt very deeply about Sherlock Holmes He is founded on fact in fact founded on thousands of solemn facts said Peters The things he does are all founded on real crimes and if anybody is going to be a detective he can't do better than try to be like Sherlock Holmes in every possible way To be continue in this ebook [The Human Boy Again](#) Eden Phillpotts,2017-11-05 **The Human Boy and the War (Classic Reprint)** Eden Phillpotts,2015-07-12 Excerpt from The Human Boy and the War After the war had fairly got going naturally we thought a good deal about it and it was explained to us by Fortescue that behind the theory of Germany licking us or us licking Germany as the case might be there were two great psychical ideas As I was going to be a soldier myself the actual fighting interested me most but the psychical ideas were also interesting because Fortescue said that often the cause won the battle Therefore it was better to have a good psychical idea behind you like us than a rotten one like Germany I always thought the best men and the best ships and the best brains and the most money were simply bound to come out top in the long run but Fortescue said that a bad psychical idea behind these things often wrecks the whole show About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Human Boy Again \(Classic Reprint\)](#) Eden Phillpotts,2015-07-06 Excerpt from The Human Boy Again Being from the first the chum and friend of Peters I can tell about his curious ways better than anybody In fact we shared our pocket money which is always a great Sign of friendship and it was understood that if ever I got into trouble when I grew up and was accused of murder or forgery or anything like that which does often happen to the most innocent people Peters would give up anything he might be doing at the time and devote his entire life to proving me not guilty About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
