But God has another plan for her Israel has been under the near constant terror of Canaan's armies for twenty years and now God has called Deborah to deliver her people from this oppression Will her family understand Will her people even believe God's calling on her life And can the menace of Canaan be stopped With her trademark impeccable research and her imaginative storytelling Jill Eileen Smith brings to life the story of Israel's most powerful woman in a novel that is both intriguing and inspiring

*The Prophetess* Jane Yip, 2025-06-20 *The Prophetess* is a groundbreaking spiritual work that reclaims the long silenced voice of the divine feminine in the realms of religion and life philosophy Speaking through the powerful figure of the Great Mother an embodiment of wisdom nurturing and divine authority this book offers a long overdue canon of female spirituality While honoring both feminine and masculine divinity *The Prophetess* boldly centers the feminine perspective refusing to diminish its spiritual depth or cultural importance Through the Great Mother's voice the book explores pressing human concerns from a uniquely female lens love marriage motherhood education the battle between good and evil the fall and rise of humanity and the spiritual crises of our time It is not a rejection of the male but a call for balance an insistence that spiritual wholeness requires the elevation of the feminine voice to its rightful place With compassion clarity and strength the Great Mother speaks truth to power addressing the centuries of systemic suppression women have endured This is not merely a spiritual narrative it is a call to awakening Women are reminded that their passivity often framed as virtue has allowed for a continued imbalance in the spiritual and societal order *The Prophetess* urges women to no longer accept silence as their destiny but to rise speak and claim their sacred place in the unfolding story of humanity Timely and courageous *The Prophetess* arrives in an era when women around the world are fighting to retain and expand hard won rights and recognition It serves both as a guide and a rallying cry a spiritual text rooted in reverence for the divine feminine and the healing power of truth It invites all readers regardless of gender to listen deeply to the voice of the Great Mother and to reimagine a world led by balance compassion and restored spiritual harmony
