Thief Of Souls:

Thief of Souls Brian Klingborg, 2021-05-04 In Brian Klingborg's *Thief of Souls* the brutal murder of a young woman in a rural village in Northern China sends shockwaves all the way to Beijing but seemingly only Inspector Lu Fei living in exile in the small town is interested in justice for the victim Lu Fei is a graduate of China's top police college but he's been assigned to a sleepy backwater town in northern China where almost nothing happens and the theft of a few chickens represents a major crime wave That is until a young woman is found dead her organs removed and joss paper stuffed in her mouth The CID in Beijing headed by a rising political star is on the case but in an increasingly authoritarian China prosperity and political stability are far more important than solving the murder of an insignificant village girl As such the CID head is interested in pinning the crime on the first available suspect rather than wading into uncomfortable truths leaving Lu Fei on his own As Lu digs deeper into the gruesome murder he finds himself facing old enemies and creating new ones in the form of local Communist Party bosses and corrupt business interests Despite these rising obstacles Lu remains determined to find the real killer especially after he links the murder to other unsolved homicides But the closer he gets to the heart of the mystery the more he puts himself and his loved ones in danger

Thief of Souls Ann Benson, 2002-11-26 With her acclaimed novels *The Plague Tales* and *The Burning Road* Ann Benson has carved out a unique place on the literary landscape with her fascinating alchemy of mystery history and psychological terror Now this gifted storyteller returns with an astounding tale of two crime waves separated by nearly 600 years In each the victims are children In each the perpetrator is a man of power and renown And in each the pursuit of justice is spearheaded by a woman who has seen the face of evil up close and whose own life is entwined with a madman's In the city of Nantes in the year 1440 a woman hurries through the cobblestoned streets Her world of faith loyalty and family is buckling under the weight of her suspicions about a dead child and others who may have met the same fate all at the hands of the same killer the infamous Gilles de Rais Soon Guillemette le Drappi re companion to the Bishop of Nantes is investigating the young nobleman she helped raise from infancy To unravel the truth Guillemette must enter a dark realm of power perversion bloodlust and bring to it the unforgiving light of the church she serves In the city of Los Angeles in the year 2002 a detective gets the kind of call she dreads most My child is gone Lany Dunbar a mother a cop and a veteran of human horrors cannot be prepared for where this search will lead her For within days Lany is certain that this missing child case has exposed the work of a serial killer At odds with her own department sure that her killer is becoming more emboldened Lany zeroes in on a suspect while a suspect zeroes in on her Two horrific crime sprees Two extraordinary eras The connections between them are at once eerie compelling and surprising Only Ann Benson can weave together the strands of history and suspense with such mastery Skillfully blending past and present myth and reality Benson catapults us from an age when wolves ran wild through the streets of Paris to an age of high tech criminal profiling A riveting rousing adventure through time history and forensic science *Thief of Souls* introduces two
