Thieves Brand:

Calling the Brands Monty McCord, 2018-07-01 *Calling the Brands* tells the story of the range detectives stock detectives and inspectors who usually worked completely alone courageously capturing or killing livestock rustlers in order to assure the survivability of the ranchers The detectives and inspectors had to be proficient in calling the brands which meant being able to read a brand and identify its owner While most western lawmen s titles and many of them are familiar less well known are the various titles and names of those who protected the cattle industry from being carted away lock stock and barrel by the unscrupulous and who helped shaped the West as we know it *A Good Man?* Farran V. Hank Helmick, 2011-12-20 The so called fast gun slingers from the Wicked Wild West could have picked up some pointers from their peers in Pikeville and the Tug River areas of 1876 Kentucky and their West Virginia neighbors in Huntington and nearby Buffalo Creek Young men in this era could draw a pistol and hit a fifty cent piece twice and reholster their weapon the bystanders would swear the shooter had never moved Their babies teethed on their pappys 44 40s and stood up for the first time pulling themselves upright on their eight year old brothers hunting rifles Matthew OShannon and his Cherokee blood brother Jon Ridge are dragged into a feud that leaves Matts grandfather and parents murdered When they defend themselves they are slandered and labeled by their neighbors as murderers and killers To avoid the feud Matt his brother Byron and his Cherokee Indian friend Jon Ridge plan to relocate in Colorado and New Mexico and breed horses They leave by train with forty breeding horses and find themselves thrown shooting and fighting into another deadly feud with Cotton Brands clan a notorious feuding Texan family Its action from cover to cover with twists and turns in the plot that will delight the avid reader of Western Historical Fiction *The Cattleman*, 1961 **Beating Back** Al Jennings, Will Irwin, 1914 **Carpenter on Back Pay Bill** Matthew Hale Carpenter, 1873 **Keeping the Peace Volume IV** Laurie Pointing A.M., 2021-11-04 *Keeping the Peace Volume IV* like its predecessors shows how fortunate we are in Queensland as in other Australian states to have a non political non military system of law enforcement with highly trained officers ready to serve the community and impartially enforce the laws made by our representatives in parliament With this in mind it s very easy to lose sight of the fact that every day police officers put their own lives on the line to ensure public safety *Keeping the Peace* is really their story in their own words Laurie Pointing the editor and compiler of this volume started his working life as a station hand on a western cattle property before joining the Queensland Police Service in December 1958 and rising to the rank of Assistant Commissioner Following a police career spanning almost 35 years and with several successful books already to his credit Laurie has now used his wealth of experience to wield an editorial pen and bring together this collection of personal stories from Queensland Police Officers **Esports Business Management** David P.
