 venue for social interaction through online services where people share aspects of their daily lives talk about their interests
 with other like minded people and express their opinions without formality or constraint Against this background this book
 investigates the aesthetics of informal text based computer mediated communication CMC such as question and answer
 websites conceived of as a distinctive medium of communication based on cosmopolitan brand communities that share the
 same field of expertise and a common interest in a particular topic By adopting sentiment analysis in order to recognize the
 positive or negative semantic orientation of texts and their emotional style the book demonstrates that the aesthetics of such
 informal texts written using Digital English as a Lingua Franca DELF is influenced by how we associate emotions and
 opinions with certain linguistic aspects such as specific words or syntactic patterns and how we can classify linguistic
 expressions according to the type of opinion that they convey **Normal Instructor and Primary Plans** ,1926
