J. Altizer, 2012-02-01 Theologian Thomas J J Altizer became both famous and infamous as the chief spokesman for death of God theology in the 1960s In the years that followed he has created a theological tradition that has influenced all succeeding generations of theologians Living the Death of God is Altizer s theological memoir Taking us from his transformation as a theological student to his present life of solitude Altizer recapitulates the voyage to create a truly new theology The memoir recounts each stage of this voyage from being overwhelmed by Satan to a conversion to the death of God and an extensive and even ecstatic preaching of the death of God However this is the death of that God who is the wholly alienated God a death realizing anew the crucified God or the apocalyptic Christ Written with Altizer s characteristic elegance this book is fascinating on its own account but can also serve the reader as a companion or introduction to Altizer s body of work Congressional Record United States.
