Thinking Spiritually:

Thinking Spiritually in Small Groups Dann Wigner, 2022-05-09 Mystical experiences are happening every day yet as amazing as the experiences can be it is often difficult to integrate these experiences into the rest of life In light of this difficulty I have created mystical reflection as a simple method for sharing one s own mystical experiences in a group setting and listening to the experiences of others in a non judgmental way The theological principle at work here is that if God speaks then everyone can benefit from it Mystical reflection takes this principle seriously and offers a method of application for integrating the spiritual insights into each person s spirituality **Thinking Theologically** Eric D. Barreto, 2015 Thinking theologically is not just a cerebral matter thinking theologically invokes an embodied set of practices and values that shape individuals and communities alike Thinking theologically demands both intellect and emotion logic and compassion mind and body In fact this book will contend that these binaries are actually integrated wholes not mutually exclusive options In a collection of brief readable essays this edited volume as part of the Foundations for Learning series emphasizes the vital skills practice and values involved in thinking theologically [Dying Church, Rising Body](#) Harald K. Haugan, 2010-08-27 [Dying Church Rising Body](#) centers on the need to reclaim the Biblical emphasis on church discipleship and growth the way it was done in the 1st Century Too many churches have compromised with contemporary culture both in structure and faith thus the first half of the title [Dying Church](#) The first century church of Peter Paul John and the other Apostle s grew through their witness to Jesus Christ and making disciples whose interpersonal ministries and evangelism developed through the use of spiritual gifts thus the second half of the title [Rising Body](#) Paul especially emphasized this method of developing thriving bodies of believers whose concentration was on heart and relational transformation as opposed to buildings superstar preachers doctrinal differences denominational competition and traditional worship forms

Conjugal Love: Our Path of Return Clayten Tylor, 2019-03-04 Conjugal love is the Divine as a feeling It is the spiritual heat and light of every soul It is the feeling of gratitude to the Universe together with the feeling of mutual love to

the neighbor To receive conjugal love requires that we first will the affection of love upwards and outwards In this way we expand our sense of self to get a glimpse of the feeling of the four fold rhythm of Divine order Once the sensual rhythm of Divine order has been established as the feeling of love it purifies our feeling of self of its identification and attachment with the physical body This new spiritual perspective transforms our sense of self from personality to individuality which then awakens the feeling of conjugal love The feeling of conjugal love is our Path of Return Within the flow of the feeling of conjugal love we can sense our spiritual self first as the feeling of profound peace but then as higher states of love as feelings of being infinite and eternal
