

WAKING WALT

The title 'WAKING WALT' is rendered in a stylized, metallic font. Each letter is dripping with a clear liquid, likely water, which falls in thin streams. These streams converge into a large, irregular pool of water at the bottom of the frame. The pool has a central point of impact with concentric ripples, and its surface reflects light, creating a shimmering effect. The background is a solid, deep black, which makes the white and blue tones of the water and the metallic text stand out sharply.

Waking Walt:

Waking Walt Larry Pontius, 2002-12 WAKING WALT is a spellbinding take on one of America's most enduring urban legends. Could it be true? Walt Disney was never cremated and buried at Forest Lawn as the official story goes. Imagine that for nearly 40 years the great entertainment genius has been in cryonic suspension, waiting to return when a cure for his lung cancer is found. Now an experimental drug being tested looks like the answer. The waiting is almost over. Then disaster strikes. In a *d j vu* nightmare for The Disney Company, a ruthless corporate raider launches a takeover attempt, planning to sell off the company's assets to the highest bidders. And this time there are no white knights in Disney's corner. But the Circle is still there, the small group of confidants who helped Walt escape death and who have been guarding him and his secret ever since. Even though they're all old men now, they're not about to let Walt's company be torn apart without a fight. And they know just who can lead them. However, as they scurry to wake him, the Circle discovers there are powerful forces that want the dead to stay dead. But they don't know Walt Disney. *Power and Paradise in Walt Disney's World* Cher Krause Knight, 2019-08-19 Peels back the actual and contextual layers of Walt Disney's inspiration and vision for Disney World in central Florida, exploring the reasons why the resort has emerged as such a prominent sociocultural force. **Testimony of Jesus Christ** Walter S. Maybury, 2023-09-21 I wrote this book to leave by witness to others that I have grown to know the Lord Jesus Christ. He is the most honest, kind, loving, and wise person I have ever had the privilege of meeting through correspondence and faith. I have learned that it is smart to listen to His directions as recorded in the scriptures, the King James Version of the Bible, as St. Matthew, St. Mark, St. Luke, and St. John. These have given me peace, direction, and happiness while helping me become a better person. This has resulted in good family and friend relationships, more enjoyment in daily work, and yielded a more patient, less frustrated person. I feel happier and useful. My heart is more resilient and compassionate. I can see that He is helping me refine myself to be the best person I can be each day. What makes this scripture book different is that each apostle's recollection of our Savior's life is noted together on the same page, chronologically arranged to show events of birth, death, and resurrection. You can get these four witness accounts of each event of the Savior's life at the same time. I have found that reading the recorded story of Jesus Christ in this manner adds context and perspective. There is added emphasis to credibility and understanding. This promotes the reader to listen, ponder, and better decipher meaning while reflecting on personal applicability and faith. Learning what is recorded about Him in this fashion, I have found that my prayers are heard, there is more peace in my heart, and a desire to be honest. I awake each morning grateful for more time, hoping to discover and accomplish something useful and good while staying in touch with the Master Teacher. I hope that you might read this scripture arrangement and know Him better, too. *The Gospel according to Disney* Mark I. Pinsky, 2004-07-14 In this follow-up to his bestselling *The Gospel According to The Simpsons: The Spiritual Life of the World's Most Animated Family*, religion journalist Mark Pinsky explores the role that the animated features of Walt Disney played on

the moral and spiritual development of generations of children Pinsky explores thirty one of the most popular Disney films as well as recent developments such as the 1990s boycott of Disney by the Southern Baptist Convention and the role that Michael Eisner and Jeffrey Katzenberg played in the resurgence of the company since the mid 1980s
