7 Days to Minimalist Living Elizabeth N. Doyd,2014-08-10 The Most Practical Modern Guide to Living a Minimalist Lifestyle in 7 Days Is your house overflowing with stuff that you don t use or need Clutter can Overwhelm the senses Consume space Drain energy from our surroundings Cause stress and anxiety This book will show you how to lighten up so you can walk into your home and be surrounded only by the things you love Living in a minimalistic way means clearing the clutter from your life to focus on what s truly important Chances are 75% of the things in your home are no benefit to your life at all You ll also find that throwing out a few garbage bags feels even better than therapy Why do you hold onto things Here are just some of the reasons Security but the paradox is that the more we cling the more frustrated and overwhelmed we feel Addiction shopping is a high and the novelty wears off Approval keeping material representations of who we are is one way we show off Identity we identify with what we own so that s why we re upset when something is stolen or broken Obligation to others we please others by keeping gifts and inherited things we don t really like or need By letting go of possessions that no longer serves us we can Let go of old beliefs Open ourselves up to new opportunities and relationships See your home your life for what they really are Need less and do more Cultivate meaningful relationships Be more in tune with yourself in a meditative space Stop shopping as a form of therapy Stop wasting money Restore clarity
