Słownik psychologiczny Józef Pieter,1963 *Current Issues in the Psychology of Religion* ,2025-02-10 **Słownik psychologiczny** Włodzimierz Szewczuk,1979 *Mały słownik terminów i pojęć filozoficznych, dla studiujących filozofię chrześcijańską* Antoni Podsiad,1983 **Słownik pedagogiczny** Wincenty Okoń,1981 **Słownik psychologiczny** Włodzimierz Szewczuk,1985 **Theory Building in Developmental Psychology** P. van Geert,1986-07-01 Discussing from various viewpoints problems in theory building and theory evaluation this book starts from the assumption that theories of development are particular ways of defining the concept of psychological development in terms of a specific conceptual framework as well as in terms of a specific empirical range nature of the explained phenomena prototypical experiments and applications etc The first three parts deal with basic problems in modern developmental psychology namely ways of describing development and how they direct theory formation causes and conditions of development in relation with learning and the problem of precursors and the individual and the socio cultural dimension in theory building The fourth part demonstrates three different forms of theory building while the final part deals with an old philosophical problem in developmental psychology the rationalism empiricism controversy **Vulnerability** Silvia Bonacchi,2024-06-17 This collection presents studies on a wide range of discursive positions marked by vulnerability and investigates the functions of self positioning actors as vulnerable in contemporary social discourses As a phenomenon that manifests itself in different social arenas vulnerable positions and instances of self positioning indicate various crisis situations on a broad spectrum of phenomena of manifestations and implications Starting from the assumption that vulnerable self positioning and stance taking is manifested at the level of discursive practices performative processes and material achievements the contributors describe a series of mechanisms of staging vulnerability in a wide range of manifestations among them physical psychological social sexual and gender linguistic and institutional vulnerability **Polski słownik biograficzny** Polska Akademia Umiejętności,1972 *Health and Resilience* Tadeusz Marian Ostrowski,Iwona Sikorska ,2015-09-21 The monograph Health and resilience is a collection of papers providing the reader with an opportunity to look at the issue of mental health and resilience from various perspectives It examines numerous concepts of resilience as related to patterns of adaptation in adverse contexts Resilience accordingly can be conceived as good adaptation effective coping or well being attained despite of adversities As referring to a class of complex phenomena resilience is not only a basic category for developmental psychopathology and positive psychology but also applies to developmental educational family and health psychology as well as to psychoneuroimmunology The chapters of the book address the issue of resilience from either the nomothetic or the idiographic perspective The monograph discusses theoretical models of resilience investigates mechanisms and processes connected with health and resilience scrutinizes various aspects of the latter such as risk and protective factors or internal and external resources and provides examples of support in difficult life circumstances The monograph Health and resilience

addresses a very important and still neglected in Poland issue of the relationship between psychological resilience and health. This issue is the subject of interest to a variety of scientific disciplines including psychology. The very concept of resilience however is still variously understood and there is no common position in this regard. It is also in the context of this fact that the present monograph seems to be important. The monograph may be directed at a wide audience interested in health related issues primarily at psychologists both researchers and practitioners. It can also provide a valuable source of information for pedagogues, sociologists, philosophers, physicians and other medical professions representatives. From the review of Professor Nina Oginska Bulik Ph D Institute of Psychology University of Lodz *Current Catalog*, 1965. Polski słownik biograficzny: Legendorf Fabian-Lubomirski Aleksander Polska Akademia Umiejętności, 1935. **Psychological and Pedagogical Aspects of Motivation** Herbert Zoglowek, Maria Aleksandrovich, 2013. This collection of articles is written by psychologists and pedagogues from two countries; the contributors from Norway work in the field of sport science at the Finnmark University College in Alta while those from Poland are psychologists, pedagogues and sociologists conducting their research in varied fields at the Pomeranian University in Slupsk. The common feature is that all of these scholars are interested in the same field of research: motivation. Therefore this book examines the issue of motivation from various angles and different approaches. At the same time the articles also provide insight into the similarities and differences that are specific to given countries.
