Small Salvations:

Small Salvations Patricia Dienstfrey, 1987-01-01 **For Salvation's Sake** Jason Moralee, 2004-03-01 This book breaks new ground in the study of cultural unity in the Near East from pre Roman to early Islamic times first century BC eighth century AD Based on a thorough study of nearly 400 Greek and Latin inscriptions from Syria Lebanon Jordan and Israel this book shows how the formula for salvation s sake hyper soterias pro salute was fundamental to the political social and religious lives of hundreds of civic and military elites in the Near East Initially an expression of ancient indigenous religion this formula expressed loyalty to the central authority at Rome while profiling social status and piety With the arrival of Christianity and Islam the formula lost its political importance but persisted in its social and religious applications among Christian and Jewish communities in Late Antiquity Presenting a new body of evidence Jason Moralee provides a fresh look at how Romans used the inscriptions to secure the loyalty of their subjects for centuries This analysis of material culture through several periods redefines notions of political loyalty in the Middle East from antiquity through the Middle Ages raising new questions about life in the Roman provinces Natural Salvation Charles Asbury Stephens, 1903 *Christ and Full Salvation* John Benjamin Figgis, 1878 **Salvation** , 1901 **Women in Independent Publishing** Stephanie Anderson, 2024-12-15 Women in Independent Publishing is a collection of interviews with and resources about women actively engaged in small press publishing between the 1950s and the 1980s The interviewees include Hettie Jones Margaret Randall Bernadette Mayer and many others The scope and range of the interviews showcase a variety of types of publishing possible within the small press community These interviews illuminate the unifying and diverging elements between multiple publishing scenes and reveal their particularities and commonalities Women in Independent Publishing is a timely and urgent documentation of literary history and reveals and celebrates the multifaceted roles of women editors and publishers and the communities they built The book includes a critical introduction an afterword by contemporary small press publisher M C Hyland and a robust resources section that provides further paths for reading and literary recovery **The Last Palace** Norman Eisen, 2018-09-04 A sweeping yet intimate narrative about the last hundred years of turbulent European history as seen through one of Mitteleuropa s greatest houses and the lives of its occupants When Norman Eisen moved into the US ambassador s residence in Prague returning to the land his mother had fled after the Holocaust he was startled to discover swastikas hidden beneath the furniture in his new home These symbols of Nazi Germany were remnants of the residence s forgotten history and evidence that we never live far from the past From that discovery unspooled the twisting captivating tale of four of the remarkable people who had called this palace home Their story is Europe s and The Last Palace chronicles the upheavals that transformed the continent over the past century There was the optimistic Jewish financial baron Otto Petschek who built the palace after World War I as a statement of his faith in democracy only to have that faith shattered Rudolf Toussaint the cultured compromised German general who occupied the palace during World War II ultimately putting

his life at risk to save the house and Prague itself from destruction Laurence Steinhardt the first postwar US ambassador whose quixotic struggle to keep the palace out of Communist hands was paired with his pitched efforts to rescue the country from Soviet domination and Shirley Temple Black an eyewitness to the crushing of the 1968 Prague Spring by Soviet tanks who determined to return to Prague and help end totalitarianism and did just that as US ambassador in 1989 Weaving in the life of Eisen s own mother to demonstrate how those without power and privilege moved through history *The Last Palace* tells the dramatic and surprisingly cyclical tale of the triumph of liberal democracy **Sermons on Christ and Salvation**

Horace Bushnell,1886 Good Works; or, "Things that accompany salvation": being a series of chapters on the Methodist Rules William Shaw CALDECOTT,1875 *Salvation sought, found, and enjoyed* Salvation,1873 *The Salvation Army Year Book* Salvation Army,1913 Orders and Regulations for Field Officers of the Salvation Army William Booth,1888
