## Small Civil War:

*Living a Big War in a Small Place* Philip N. Racine, 2013-01-01 Most of what we know about how the Civil War affected life in the Confederacy is related to cities troop movements battles and prominent political economic and military leaders Far less is known about the people who lived in small Southern towns remote from marching armies or battles Philip N Racine explores life in one such place Spartanburg South Carolina in an effort to reshape the contours of that great conflict By 1864 life in most of the Confederacy but especially in rural towns was characterized by scarcity high prices uncertainty fear and bad tempered neighbors Shortages of food were common People lived with constant anxiety that a soldiering father or son would be killed or wounded Taxes were high inflation was rampant and good news was scarce and seemed to always be followed by bad Slaves were growing restive and their masters bad news was their good news Army deserters were threatening lawlessness accusations and vindictiveness colored the atmosphere and added to the anxiety fear and feeling of helplessness Often people blamed their troubles on the Confederate government in faraway Richmond Virginia Racine provides insight into these events through personal stories the plight of a slave the struggles of a war widow managing her husband s farm ten slaves and seven children and the trauma of a lowcountry refugee on having to forfeit a wealthy aristocratic way of life for an alien social world All were part of the complexity of wartime Spartanburg District Publisher s description *An Introduction to Civil War Small Arms* Earl J. Coates, Dean S. Thomas, 1990 **The State of Jones** Sally Jenkins, John Stauffer, 2009-06-23 New York Times bestselling author Sally Jenkins and distinguished Harvard professor John Stauffer mine a nearly forgotten piece of Civil War history and strike gold in this surprising account of the only Southern county to secede from the Confederacy The State of Jones is a true story about the South during the Civil War the real South Not the South that has been mythologized in novels and movies but an authentic hardscrabble place where poor men were forced to fight a rich man s war for slavery and cotton In Jones County Mississippi a farmer named Newton Knight led his neighbors white and black alike in an insurrection against the Confederacy at the height of the Civil War Knight s life story mirrors the little known story of class struggle in the South and it shatters the image of the Confederacy as a unified front against the Union This riveting investigative account takes us inside the battle of Corinth where thousands lost their lives over less than a quarter mile of land and to the dreadful siege of Vicksburg presenting a gritty picture of a war in which generals sacrificed thousands through their arrogance and ignorance Off the battlefield the Newton Knight story is rich in drama as well He was a man with two loves his wife who was forced to flee her home simply to survive and an ex slave named Rachel who in effect became his second wife It was Rachel who cared for Knight during the war when he was hunted by the Confederates and later when members of the Knight clan sought revenge for the disgrace he had brought upon the family name Working hand in hand with John Stauffer distinguished chair and professor of the History of American Civilization at Harvard University Sally Jenkins has made the leap from preeminent sportswriter to a historical writer

Fincher,2014-07-17 This book develops and tests an ecological and evolutionary theory of the causes of human values the core beliefs that guide people s cognition and behavior and their variation across time and space around the world We call this theory the parasite stress theory of values or the parasite stress theory of sociality The evidence we present in our book indicates that both a wide span of human affairs and major aspects of human cultural diversity can be understood in light of variable parasite infectious disease stress and the range of value systems evoked by variable parasite stress The same evidence supports the hypothesis that people have psychological adaptations that function to adopt values dependent upon local infectious disease adversity The authors have identified key variables variation in infectious disease adversity and in the core values it evokes for understanding these topics and in novel and encompassing ways Although the human species is the focus in the book evidence presented in the book shows that the parasite stress theory of sociality informs other topics in ecology and evolutionary biology such as variable family organization and speciation processes and biological diversity in general in non human animals *Bookseller's catalogues* Thomas Arthur (bookseller.),1868 **Civil War Guns** William Bennett Edwards,1962 The complete story of Federal and Confederate small arms design manufacture identification procurement issue employment effectiveness and postwar disposal **Ethnicity and Intra-State Conflict** Håkan Wiberg,Christian P. Scherrer,2018-12-21 Published in 1999 this text examines domestic wars looking at inter state relations only in as far as they are directly relevant

to understand such wars The book aims to indicate how intra state war differs from the inter state war and focuses primarily on such domestic armed conflicts that at least have significant ethnonational components The book assesses how heterogeneous a category ethnic conflict is in terms of causes and consequences and gauges the complex interplay between class regionalism and ethnicity It is not limited to description and causal analysis but also attempts to assess suggestions as to what types of actors may contribute in what ways to avoiding ethnonational mobilization polarization avoiding militarization of manifest conflicts and de escalating militarized conflicts by looking for tenable generalizations on what types of approaches are fruitful in bringing about de escalation ceasefires political compromises peaceful division or peaceful integration reconciliation Small Civil War-CC , *Edwards's Military Catalogue* Francis Edwards (Firm),1908
