Group Leader's Handbook Bible Reading Fellowship, 1990

[Small Group Leader's Handbook](#), 1986* [Simple Small Groups](#) Bill Search, 2008-09-01

Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church. Many evangelical churches have some form of small groups ministry in place. But there's just one problem, says Bill Search, what started as a simple get together has become a complicated process, especially for small group leaders. They are often not sure what is expected of them or what to expect from their groups as a result of their efforts. In *Simple Small Groups*, Search lays out the three C's of small groups: connecting, changing, and cultivating. This paradigm helps to simplify leading small groups in a way that is helpful, rewarding, and life-changing. Unlike many other books geared toward small group leaders, *Simple Small Groups* does not require a church-wide adoption of an intricately designed system of assimilation, making it useful to any small group leader looking for guidance.

Small Groups in the Church Thomas G. Kirkpatrick, 1995-12-31

This planning and leader training handbook offers a distinctive, broad-based small group approach to building community. From the Jewish *havurot* to Christian *koinonia*, you will gain a thorough understanding of community, learn how to plan an effective small group ministry, how to select and train leaders for all kinds of small groups, and how to start small groups that are a part of and not apart from their congregations. Appendices provide an overview of the sociological, psychological, and biblical/theological literature on community and a wealth of presentation and leader training resources.

Leading Small Groups with Purpose Steve Gladen, 2012-02-01

For the new small group leader, the seasoned leader who feels their small group lacks purpose, or the leader who is itching to move their small group to the next level, *Leading Small Groups with Purpose* is the road map to follow. Steve Gladen, author of *Small Groups with Purpose* and pastor of small groups at Saddleback Church for more than a decade, takes small group leaders step by step toward a healthy, dynamic group with focus and purpose. Every chapter includes ideas that small group leaders can implement immediately, as well as ways to shape their small groups over time. Gladen helps leaders define success, clearly develop a personal leadership plan, invite members into the group, and shepherd members through fellowship, discipleship, ministry, evangelism, and worship. He also includes a chapter devoted to addressing problems proactively and using them as opportunities for growth. Includes a foreword by John Ortberg and a free small group assessment tool. 1250 value.

Coaching Life-Changing Small Group Leaders Bill Donahue, Greg Bowman, 2006

The must-have resource for coaches who shepherd and care for small group leaders.

The Field Guide for Small Group Leaders Sam O'Neal, 2023-06-06

The *Field Guide for Small Group Leaders* provides basic training and support to help small group leaders succeed in the critical mission of leading others toward spiritual growth and transformation. The premise of serving as a small group leader sounds simple: Invite people to join you in studying the Bible. But the real-world implications

of that role are incredibly complex Today s small group leaders are asked to function as semi experts in theology psychology evangelism worship apologetics counseling education and nutrition all in service to God and His church Most of today s group leaders receive little or no training on how to carry out this important work They are told to Go and make disciples then left to figure out the details on their own Sam O Neal a small group leader himself wrote The Field Guide for Small Group Leaders to help fellow leaders navigate this confusion and map out a plan for successful transformational and rewarding meetings The Field Guide provides helpful information on Curriculum and planning Learning styles Icebreakers and learning activities Crafting discussion questions Worship and prayer What to do when things don t go as planned And more Whether you lead a small group life group or Sunday school class this guide will give you confidence and practical tools for fostering meaningful connections genuine community and spiritual growth that so many are desperate for
