Spring is blooming in the charming town of Sweet Haven and Tillie's pet bakery is thriving. Life seems peaceful until one evening when Tillie's friend Hilary stumbles upon a shocking discovery: Walden Stout, a local attorney, lying dead behind the Sweet Haven Coffee Beanery. Walden had been representing accused embezzler Theo Strauss, which raises many questions. Could rival attorney Dawson Holmes be the culprit? Or is there more to Walden's death, especially since he had Tillie's name in his pocket? Now Tillie must unravel the mystery without endangering herself. Can she find the killer before it's too late?

Difficult Reputations Gary Alan, 2014-12-10. We take reputations for granted. Believing in the bad and the good natures of our notorious or illustrious forebears is part of our shared national heritage. Yet we are largely ignorant of how such reputations came to be, who was instrumental in creating them, and why. Even less have we considered how villains, just as much as heroes, have helped our society define its values. Presenting essays on America's most reviled traitor, its worst president, and its most controversial literary figure, Benedict Arnold, Warren G. Harding, and Lolita, among others, sociologist Gary Alan Fine analyzes negative, contested, and subcultural reputations. *Difficult Reputations* offers eight compelling historical case studies, as well as a theoretical introduction situating the complex roles in culture and history that negative reputations play. Arguing the need for understanding real conditions that lead to proposed interpretations, as well as how reputations are given meaning over time, this book marks an important contribution to the sociologies of culture and knowledge. *Biennial Report ...* Public Library Commission of Indiana, 1919. **Catalog of Copyright Entries** Library of Congress.
