

# Christian Poem

# Strengthen Your Faith

By Maya Anthony

In storms when darkness hides the way,  
His love shines bright, dispelling gray.  
Though waves may crash and winds may blow,  
In His embrace, we're safe we know.

His love's an anchor, firm and strong,  
In Him, we find where we belong.  
No storm too fierce, no night too long,  
With faith in Him, we'll always be strong.

Trust in His love, let worries cease,  
In turbulent times, He brings us peace.  
For in the darkest, trying night,  
His love's the beacon, our guiding light.

**A Form of Sound Words** Harriet Guest, 1989 Traditionally Christopher Smart has been represented as a mystical and eccentric poet a colorful visionary of only peripheral importance to our understanding of eighteenth century literature This study challenges that view offering a reassessment of Smart s work and examining the age in which he wrote and his place in it Guest reappraises his religious poetry in the context of theories of language and natural philosophy as well as in the context of a vast range of writing from private devotions and sermons to hymns and biblical criticism demonstrating the pervasive and complex significance of religion in the period

**Christopher Smart** Neil Curry, 2005 Christopher Smart 1722 1771 is popularly known for having written his exuberant lyric A Song to David and the cryptic Jubilate Agno while locked away in a madhouse then ending his days in a debtors jail But this close and sensitive study shows him to be our finest and our most important religious poet between Herbert and Hopkins Smart is also a pivotal figure in eighteenth century poetry in that while his early work has echoes of Milton his final poems Songs for the Amusement of Children with their simplicity and their woodcuts clearly anticipate Blake s Songs of Innocence Central to Smart s work is the line in Jubilate Agno For by the grace of God I am the Reviver of Adoration amongst English Men In contrast to the grimness of much evangelical writing and despite his own personal hardships Smart is seen here as a poet of Adoration and of Joy
