We are glad to share with you that we've selected a bunch of high-quality papers from the submissions and compiled them into the proceedings after rigorously reviewing them. These papers feature, but are not limited to, the following topics: Computer Art, Visual Design, Digital Media, Innovative Technology, etc. All the papers have been checked through rigorous review and processes to meet the requirements of publication. We would like to acknowledge all of those who supported *ADDT 2023* and made it a great success. In particular, we would like to thank the European Alliance for Innovation (EAI) for the hard work of all its colleagues in publishing this paper volume.
