Spice Up Rachel A. Frias, 2011-05-12 Spice Up The topics covered in this second volume of Short Bedtime Stories titled Spice Up are illustrated by themes such as Ignoring a hurting body being in fashion super human machines parent love perfect synchronization of music and crime schedules martial arts surprise consumer trust at restaurants weapons in the civilian world power of an Alcoholic Anonymous agent family trees the paranoia of reputable scientists Fermis Paradox automobile insurance abuses testing of care products on animals where anti Semitism has one of many roots in addition some other themes in Spice Up by Rachel A Frias are an obsession with obesity not fitting in as a tourist schools administrations despair to meet standards chat misunderstandings desperate for tax money and also missing part of childhood Stories in Spice Up may be summarized into categories ranging through any of these Male vanity stress at work parents love automotive crime sports hostelry robbery AA progeny scientific curiosities anti Semitism foreign obesity administration plans taxes to students home life Provide Proof By including a bit of actuality and surrounding these bare bone issues with a plush environment the author of Spice Up Rachel A Frias brings fiction to life through story and conversation Each of the 21 stories in Spice Up is unique and contains at least one element of surprise as one reads the daring writers composition take for instance the short story titled Noahs Cell where the interpretation of Noahs old wooden boat tale is taken to the extravagant clarification of being a human cell which carries the genetic code to form all animals on Earth if the process of development is stopped at different times Fermis Paradox relays the unattainable space odyssey that of leaving Earth to survive in a different part of the Universe Be original To illustrate further the novelty of these 21 short stories in Spice Up by Rachel A Frias check that such a modern topic as Tax fraud by Mr Merredith a retired teacher and tax advisor takes advantage of Bernie who innocently spreads the word on how to become fraudulent Counter Objections Spice Up is a work of fiction not meant for children because some topics are censored to minors These short stories address situations that can occur in a community and are a mild recall in awareness that what could happen can be prevented and avoided as what could happen in The Jews where a personality exchange scares Grace away from Jewish men forcing her to hate them 2 What inspired you to write these books Inspired by dream fantasy and common or mysterious situations developed into fiction created these collections of short stories Controversial topics are presented inviting the readers possible curtailed stimulation to be uplifted and provoke thoughts otherwise committed to the discretion of others 3 Where do these books take place Mainly NY the USA and Europe I thought of writing a short story on Eskimos 4 Who are the main characters what are their relationships and why are they important to the story The characters are diverse well defined random types who are victims or aggressors making important decisions on current controversial issues based on their life styles and upbringing 5 Why do you think that these books will appeal to the readers I offered a dare and wrote Straight Up including stories to offer the public entertainment a few thoughts to be discussed such as stem cell research abortion queers self sacrifice just to mention a few I

suggested some provocation in my second book *Spice Up* with thoughts to be discussed such as AA health perfectionism and automotive insurance abuse just to mention a few As the author to *Straight Up* and *Spice Up* I hope reading these short story collections make these worthwhile books through inspiration and future well thought out decision making on the readers part 6 Target Audience Scientists technicians engineers college students teachers and any bibliophile who likes cognitive picking

2 Is this your first book If not please list other books that you have written These are my first two books *Straight Up* and *Spice Up* Who is Rachel A Frias The author of *Straight Up* and *Spice Up* is offering no advice doesnt sell a potion or magic lotion however would like to offer entertainment A discussion is an investment into better living and these short stories reflect an awareness of human behavior that Rachel A Frias having been a teacher can write about to enjoy in a fictitious presentation in each of these short stories I was brought up in Spain Europe At an early age my American mother Sarah an English teacher would pull me away from the childrens playground to read and do written exercises in English from an American childs magazine Highlights to which we subscribed at the time You can imagine the pain I felt having to leave the playground sweaty and red from playing to just read and do the English homework which other Spanish children did not have At the age of fourteen I attended Oakwood School in NY There I attended a Black English teachers class whom I thought the world of because his English was so prim and proper At Clarkson University one English professor allotted me an A for a short story in which the philosophical discussion of property and destruction I made was within a western setting After working for many years I suffered a back injury which prevented my normal activities I laid down most of the time writing these short stories keeping in mind basic human psychology and philosophy from a technical perspective being an engineer and scientist
