Spike Lee

Spike Lee:

Spike Lee Spike Lee, 2002 The best interviews and profiles of America's most prominent African American filmmaker

Spike Spike Lee, 2021-11-10 This career spanning monograph is a visual celebration of Spike Lee's life and career to date. Featuring hundreds of never before seen photographs by David Lee Spike's brother this book includes behind the scenes insider images that underscore his creative process and his significant impact on the culture at large. Print run 15,000

Spike Lee Dennis Abrams, 2014-05-14 Describes the life and career of award winning filmmaker Spike Lee *Spike Lee*
Bob Bernotas, 1993 A biography of the African American filmmaker Spike Lee from his childhood in New York through his days as the controversial director of such films as Malcolm X *Spike Lee* Jason P. Vest, 2014-09-30 Spike Lee's journey from guerrilla filmmaker to Hollywood insider is explored in light of his personal background, the cultural influence of his films, and the extensive scholarship his movies have inspired. This insightful study probes the iconic filmmaker's career as a director and shaper of American culture. It not only sheds light on the ways in which Lee's background influences and outlook affect his films but also discusses how he participates in, transforms, and transcends the tradition of black American filmmaking. Each chapter offers a critical assessment of at least one and sometimes multiple Lee films, examining their production history, their place in Lee's filmography, and their aesthetic, cultural, and historical significance. Readers will come away from this first scholarly assessment of Lee's career and work with a better understanding of his penchant for stirring up controversy about significant social, political, and artistic issues, as well as his role as an American artist who provokes his audiences as much as he pacifies them. **Five for Five** Terry McMillan, 1991 A critical and interpretive tribute to the work of film maker Spike Lee. Essays by African American writers Terry McMillan, Toni Cade Bambara, Nelson George, Charles Johnson, Henry Louis Gates Jr, and Melvin Van Peebles accompany production stills taken by David Lee. **Spike Lee's America** David Sterritt, 2013-04-03 Spike Lee has directed, written, produced, and acted in dozens of films that present an expansive, nuanced, proudly opinionated, and richly multifaceted portrait of American society. As the only African American filmmaker ever to establish a world class career, Lee has paid acute attention to the experiences of racial and ethnic minorities. But white men and women also play important roles in his movies, and his interest in class, race, and urban life hasn't prevented his films from ranging over broad swaths of the American scene in stories as diverse as the audiences who view them. His defining trait is a willingness to raise hard questions about contemporary America without pretending to have easy answers; his pictures are designed to challenge and provoke us, not ease our minds or pacify our emotions. The opening words of his 1989 masterpiece *Do the Right Thing* present his core message in two emphatic syllables: Wake up. Spike Lee's America is a vibrant and provocative engagement, not only with the work of a great filmmaker but also with American society and politics. **Spike Lee** Todd McGowan, 2014-02-15 Since the release of *Do the Right Thing* in 1989, Spike Lee has established himself as a cinematic icon. Lee's mostly independent films garner popular audiences while, at the same time, engaging in

substantial political and social commentary He is arguably the most accomplished African American filmmaker in cinematic history and his breakthrough paved the way for the success of many other African Americans in film In this first single author scholarly examination of Spike Lee s oeuvre Todd McGowan shows how Lee s films from She s Gotta Have It through Red Hook Summer address crucial social issues such as racism paranoia and economic exploitation in a formally inventive manner McGowan argues that Lee uses excess in his films to intervene in issues of philosophy politics and art McGowan contends that it is impossible to watch a Spike Lee film in the way that one watches a typical Hollywood film By forcing observers to recognize their unconscious enjoyment of violence paranoia racism sexism and oppression Lee s films prod spectators to see differently and to confront their own excess In the process his films reveal what is at stake in desire interpersonal relations work and artistic creation itself

Doing the Right Thing Jim Pines,2010-03-04 A biography of probably the most successful African American film director in the history of cinema Spike Lee has played a major role in highlighting African American themes and images in mainstream popular films since the 1980s successfully merging sensitive and sometimes controversial themes with the demands of popular Hollywood cinema

Do the Right Thing Spike Lee,Lisa Jones,1989 The phenomenon of Spike Lee continues with this revealing and engaging look at his outstanding career his creative process and the screenplay for his dynamic movie Do The Right Thing Spike Lee burst full formed into the screen world with his award winning commercially successful independent film She s Gotta Have It In the few short years following this stellar debut he has established himself as a force to be reckoned with in the film industry and in American popular culture This book reveals Spike Lee as a Hollywood iconoclast and gifted visionary and takes us through the dramatic sequence of events that brought the movie Do The Right Thing to fruition It is a testimonial to his developing genius written in the stingingly funny and informed language of Spike Lee

Spike Lee Laurie Lanzen Harris,2010-12-10 Spike Lee is the mastermind behind movies such as Malcolm X and Chi Raq His work often explores race identity culture and politics within the sphere of the black community This compelling biography profiles the life and career of Shelton Jackson Lee the most prominent African American filmmaker in the United States

Spike Lee's Do the Right Thing Mark A. Reid,1997-05-13 A collection of essays on Spike Lee s Do the Right Thing

Spike Lee Spike Lee,2005 The provocative filmmaker describes his early achievements in the 1986 film She s Gotta Have It through his contributions to such movies as Do the Right Thing and Malcolm X in a personal portrait complemented by numerous firsthand accounts that also discuss the role of race in his work and his relationships with famous stars

40 000 first printing

Spike Lee, Do the Right Thing Spike Lee,Jason Matloff,2010 An unprecedented insider s look at one of cinema s landmark works and the lasting effect it still has on our culture this oral and visual history of Do the Right Thing celebrating the movie s 20th anniversary is told entirely by those who starred in and worked on the film

Giant Steps to Change the World Spike Lee,Tonya Lewis Lee,2011-05-03 On some days your dreams may seem too far away to realize Listen to the whispers of those that came before People throughout

history have taken giant steps toward improving the world but even the smallest step makes a difference A wonderful and inspiring gift Giant Steps to Change the World encourages readers to follow in the footsteps of those who came before to reject fears of inadequacy and to ponder what they can contribute to society

Spike Lee Joyce L. Markovics, Alrick Brown, 2023 Spike Lee is a groundbreaking moviemaker While tackling important issues he helped change the way Black stories are told on film He has also inspired the next generation of filmmakers This book explores his life and his fascinating films A table of contents glossary index author biography filmography and sidebars are included in this title

The Philosophy of Spike Lee Mark T. Conard, 2011-06-14 Over his twenty plus year tenure in Hollywood Spike Lee has produced a number of controversial films that unapologetically confront sensitive social issues particularly those of race relations and discrimination Through his honest portrayals of life s social obstacles he challenges the public to reflect on the world s problems and divisions The innovative director created a name for himself with feature films such as Do the Right Thing 1989 and Malcolm X 1992 and with documentaries such as 4 Little Girls 1997 and When the Levees Broke 2006 breaking with Hollywood s reliance on cultural stereotypes to portray African Americans in a more realistic light The director continues to produce poignant films that address some of modern society s most important historical movements and events In The Philosophy of Spike Lee editor Mark T Conard and an impressive list of contributors delve into the rich philosophy behind this filmmaker s extensive work Not only do they analyze the major themes of race and discrimination that permeate Lee s productions but also examine other philosophical ideas that are found in his films ideas such as the nature of time transcendence moral motivation self constitution and justice The authors specialize in a variety of academic disciplines that range from African American Studies to literary and cultural criticism and Philosophy

Spike Lee Alex Patterson, 1992 Published to coincide with the UK release of Malcolm X this is a biography of the American film director screenwriter and actor Spike Lee whose films have explored black issues in a provocative way The book explores his private life and background and the motivation behind his work

Spike Lee Darren Arnold, 2003 The acclaimed director of such controversial films as Summer of Sam Bamboozled Do the Right Thing and Malcolm X Spike Lee has made a name for himself as one of the most politically explosive people in Hollywood This Pocket Essential contains an analysis of every Lee feature film plus a look at some of his early efforts such as the award winning student film Joe s Bed Stuy Barbershop We Cut Heads and a look at the importance of sport in Lee s life and work

Please, Baby, Please Spike Lee, Tonya Lewis Lee, 2007-09-18 Go back to bed baby please baby please Not on your HEAD baby baby baby please From moments fussy to fond Academy Award nominated filmmaker Spike Lee and his wife producer Tonya Lewis Lee present a behind the scenes look at the chills spills and unequivocal thrills of bringing up baby Vivid illustrations from celebrated artist Kadir Nelson evoke toddlerhood from sandbox to high chair to crib and families everywhere will delight in sharing these exuberant moments again and again
