the Rock is a story of family fear and fantasy It threatens to turn mother against daughter brother against brother husband against wife and stretches the limits of what one is forced to accept The eerie journey continues as it forces you to keep the pages turning and turning and turning      **Dawn Of the Dominant** Vipin Suren,2015-04-30 This magical fantasy adventure is a fast paced story that takes the reader through a roller coaster ride of mystical powers motives of vengeance moves and counter moves violent battles camaraderie and at times simple adolescent fun as narrated by the key characters in the story from their respective perspectives Being a pre teen himself when the author started on this project the target readers are primarily from that age group 11 15 The protagonists here are the incredible siblings each blessed with unique powers that have been paternally obtained and their relentless quest to fulfill their destiny On learning that the Dark King their evil grandfather from a distant planet has malicious designs to subjugate planet earth under his control and is also the one responsible for their father s demise they embark on a journey to not just seek revenge but to also save the earth from eventual anarchy and destruction They quickly realize that despite their supernatural abilities they are set against not just one formidable enemy but another even more powerful entity making their endeavor a fearsome challenge with terrifying consequences      **Women as Unseen Characters** Pascale Bonnemère,2013-03-26 Rituals have always been a focus of ethnographies of Melanesia providing a ground for important theorizing in anthropology This is especially true of the male initiation rituals that until recently were held in Papua New Guinea For the most part these rituals have been understood as all male institutions intended to maintain and legitimate male domination Women s exclusion from the forest space where men conducted most such rites has been taken as a sign of their exclusion from the entire ritual process Women as Unseen Characters is the first book to examine the role of females in Papua New Guinea male rituals and the first systematic treatment of this issue for any part of the world In this volume leading Melanesian scholars build on recent ethnographies that show how female kin had roles in male rituals that had previously gone unseen Female seclusion and the enforcement of taboos were crucial elements of the ritual process forms of presence in their own right Contributors here provide detailed accounts of the different kinds of female presence in various Papua New Guinea male rituals When these are restored to the picture the rituals can no longer be interpreted merely as an institution for reproducing male domination but must also be understood as a moment when the whole system of relations binding a male person to his kin is reorganized By dealing with the participation of women a totally neglected dimension of male rituals is added to our understanding      The Berwick Hymnal ,1895      **The Cambridge Book of Poetry and Song** Charlotte Fiske Bates,1910      **The Cambrian** ,1901
