have been regenerated in our spirit and that from the time we were saved God has been edifying and building up our spirit Ephesians 2:22 clearly reveals that our spirit is God's dwelling place in us. Hence to build up our spirit the individual spirit is to build up God's dwelling place, God's temple. On the other hand the church is also God's house and God's temple. But how do we build up the church? It is through all the saved ones encouraging one another and functioning in mutuality according to their fellowship with the Lord and the experiences of life they have had with the Lord in their spirit. The Body of Christ is built up through the spiritual development of all the members.

Created to Relate Kelly Wahlquist, 2015-03-09 "Created to Relate" explains the natural gift women have for building and maintaining life-giving relationships. Understanding the role of relationship within the Trinity can help you understand the importance of connection with others, the key to living the Gospel fully and joyfully. Wahlquist shows how you can use your ability to build relationships as a way to lead others to Christ. She provides practical tips to help you stay focused in the midst of the distractions and responsibilities that can lead to superficial connections. Each chapter contains a Scripture reading, reflection, discussion questions, and a practical application exercise. Gain new dignity in your role as a master relationship builder and new confidence in sharing the Gospel with others.

Church and Mission Theodore Andoseh, The pages that follow

encapsulate the essence of the pathfinding message delivered by brother Theodore Andoseh at the International Students Bible Camp in September 2020 held in Koum Cameroon In the grand tapestry of faith the Church stands as a beacon entrusted with embracing her Lord s Great Commission In humble prayer she beseeches the Lord of the harvest to send forth labourers into His abundant fields And as her petitions rise God in His divine providence calls and equips individuals to embark on His sacred mission This book endeavours to construct a framework for understanding missions intended to guide the Church and its missionaries in their noble work It serves as an introductory exploration into the mission of Paul and Barnabas with Paul serving as the primary paradigm for missions in the New Covenant Through a careful examination of the Scriptures and the author s personal experiences this book illuminates various facets of missionary work offering valuable insights into the following themes Missionary calling Missionary send forth Missionary team Missionary strategy Missionary work Missionary message Missionary power Missionary conflict Missionary fruit Missionary realignment The author passionately believes that a profound understanding of the Lord s missionary economy can alleviate the burdens of oversight and unleash the full potential of God s missionary purpose It is our heartfelt prayer that this book in the hands of those who genuinely care about God s missionary vision becomes a vessel through which divine blessings flow May the Lord condescend to use it as an instrument of inspiration and enlightenment touching the lives of many as they embark on their own transformative journeys of faith
