

What is Reiki

Reiki- Rei means "God's Wisdom / the Higher Power" and **Ki** is "life force energy". Reiki therefore means "spiritually guided life force energy".

The **Reiki** distance healing technique is used to send energies over a distance and treat clients.

Reiki creates balance and harmony in the recipient to promote healing.

A basic tenet of **Reiki** is that the flow of energy varies according to the degree of disharmony in the person or animal's body/mind.

Reiki energy flows freely from the healer's body to the recipient just like free flowing water. It relieves pain or stress from a part of the body with the greatest need.

Reiki energy works in harmony with all other forms of healing, including medicines, surgery, psychological care or any other method of alternative care.

83% studies show moderate to strong evidence supporting the merits of **Reiki** treatment.

About 4 000 000 people all over the world have taken atleast one level of **Reiki** training.

Pneumatology Ruth M. Allen, 2009 The Holy Spirit and the Spirit of Reiki Ruth Mayeux Allen, 2011 Many may think that the hands on healing practice of Reiki is by its very nature at odds with Christian theology and science There is in fact resounding reason to view these three belief systems as wondrously interconnected To that end The Holy Spirit and the Spirit of Reiki Dr Ruth Allen s thoughtful elegant and personal exploration offers a compelling compassionate case for incorporating the practice of Reiki into physical and psychological healing methods that are in keeping with Christian theology and sanctioned by the nation s top medical professionals Framing the book around her background as a highly skeptical scientist with little interest in the healing arts Allen charts her personal journey from reluctant rookie to Reiki master with the ultimate goal of spiritual emotional mental and physical healing Amazon com 2 29 12

fluff Yes the author includes a brief history on Reiki After all how can you determine it is right for you if you are not sure what it is about In the first chapter of this book you are going to discover what Reiki is as well as how it can help you What you are not going to read is a bunch of useless facts about the person who founded it and how he went about discovering this holistic healing approach The author worked hard to keep the basics short and sweet In addition to learning what Reiki is the author discusses the five basic principles of Reiki These five principles form together to create The Reiki Creed which is the foundation that all Reiki practitioners follow In the course of the second chapter the author goes on to discuss the importance of Reiki attunements Attunements are a necessary part of Reiki as they help to prepare the body for treatments Knowing what to expect and how to prepare your body for an attunement takes a lot of the guesswork out of Reiki and ensures a successful treatment The author provides valuable information to readers who are new to Reiki This information provided by the author allows the reader to gain a thorough understanding of Reiki and how it works as well as decide if treatments are right for them In this book you will learn the basics of a Reiki treatment You will discover how each of the five symbols are used as well as the hand placements used by Reiki practitioners on their recipients Reiki as a holistic healing method can be practiced on others but practitioners can also use this practice to heal themselves Reiki treatments are often delivered via a single practitioner but in rare cases recipients take part in something called a Reiki Circle In his book you will learn all about Reiki Circles and when they are useful for recipients Reiki is a very spiritual healing method and like many spiritual methods there are a lot of misconceptions about the practice It probably doesn't help that Reiki itself is shrouded in mystery The author of this book provides insight into some of the common myths that surround the practice of Reiki to help clear up some of the mystery surrounding this spiritual approach Even though Reiki is spiritual in nature don't let that scare you off It is simply an alternative medicinal approach to healing the body Limited Edition Download your copy today **New York's 50 Best Places to Keep Your Spirit Alive** Beth Donnelly, Beth Donnelly Caban, Andrea Martin, Allan Ishac, 2000-10
