Brokenness and Discipline Melvin W. Grace, 2025-05-05 That old cliché that suggests that one's grass might not appear to be as green as that of its neighbor's has thwarted the God-intended spiritual growth and development of today's believers. God's plan. It is vital that we remind ourselves daily that we are not just a mere Christian but sons of God. Many who identify as a Christian born-again believer will at some point find themselves questioning their relationship with God especially when they are bombarded with various trials and tribulations. Some believers are not as disciplined when it comes to maintaining their faith due to their inability to rely solely on the Lord and His Word. Our perception of God will be challenged often during our life span. Never allow your moments of brokenness to linger and never lose sight of your purpose and God's will for your life. Instead, allow each negative situation to create a new opportunity to initiate a positive mindset. An undisciplined mindset will always interfere with God's plan for our lives and will lead us into a valley of deception. We must demonstrate the word by becoming disciplined disciples in a world full of broken individuals deceived by their own self-designed fantasies. As believers, we must know that everything we need the Father has already provided. That which breaks you will eventually discipline you for the purpose of enlightening you. *Brokenness and Discipline* Watchman Nee *Collection* Watchman Nee, 2026-01-03 Watchman Nee is one of the most widely read writers today for his in-depth theology and practice for the lives of Christians. Regardless of whether one is new to the faith or has been in Christ for many years, these writings are solid food for every Christian. The passage of time does not age the revelation; on the contrary, it makes it more practical and useful for our lives. We invite you to read these books: *The Breaking of the Outer Man* and *The Release of the Spirit*. Let us pray and God's work with great attention. God wants to change your life. *The Breaking of the Outer Man* and *The Release of the Spirit*. Every Christian who has believed into Christ and received Him has a desire to grow in Him. The greatest hindrances to the experience are circumstances and environmental hardships rather than they are a mind in need of renewing a will in need of submission to God and an emotion in need of stability. In *The Breaking of the Outer Man* and *The Release of the Spirit*, Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God. Watchman Nee provides crucial insight into the biblical revelation of the necessity of the dividing of our soul from our spirit. *Let Us Pray*. What is prayer? Are we really praying when we pray? Do we know the power of prayer? These matters and others must be understood if we would have a real prayer life and be effective in prayer. In this little volume of collected messages given over a long period of ministry by the author and which are now translated and published in English, Watchman Nee shares with us the lessons on prayer that he has learned through the years. He considers prayer to be a mystery, though not something that is incomprehensible. He views prayer as the greatest work to which men are called. It is a working together with God. Through it, God's purpose is accomplished and Satan's intentions are broken. And its benefit to the one who prays is something great as

well Let us therefore follow the admonition of our blessed Lord who said Rise and pray Luke 22 46 God s work Every Christian must distinguish between God s work and that of the Christian Many Christians to please God try to do God s work And trying to do God s work is dangerous Trying to do God s work can destroy us It leads us to frustrate ourselves and others We must know what God s work is Watchman Nee will teach us through the word of God what is God s work and what is not Distinguishing this can save us a lot of pain and allow us to live in peace Knowing that God is the one who transforms lives that God is the one who heals hearts and families allows us to do our work without getting tired and without frustration

Recentering the Self Michael Washburn, 2023-10-01 In *Recentering the Self* Michael Washburn presents a new account of the ego ego development and the role of the ego in spiritual life He starts by tracing the premodern antecedents of the notion of the ego in Greek philosophy and Christian theology and then explains

the seventeenth century emergence of the notion in Descartes's radically new account of the soul's relation to the body. Reviewing subsequent criticisms of the notion, the author formulates a revised conception of the ego that highlights the ego's inherently two-sided nature as a subject and agency that although rooted within interior consciousness, lives originally and primarily in the material social world. Washburn uses this revised conception of the ego to explain how the two sides of the ego develop in concert over major stages of the human lifespan and why the ego, despite widespread belief to the contrary, plays primarily a positive role in spiritual life. *Recentering the Self* makes important contributions to the history of philosophy, consciousness studies, phenomenology, developmental psychology, and spiritual or transpersonal psychology. [Theology You Can Count On](#) Tony Evans, 2008-07-01 For many people, the word theology suggests seminary-educated scholars who sit in ivory towers, isolated from the real world, studying the Bible. Such study is often viewed as esoteric and unrelated to the world where men and women live, work, play, raise families, and struggle with the realities of day-to-day life. Nothing could be further from the truth, Tony Evans says. What we think about God, also known as theology, influences what we believe, do, and say. And what we think, whether true or false, makes a big difference in real life. Tony Evans wants you to know the truth about God, so *Theology You Can Count On* communicates truths about God in language you can understand. He walks through what the Bible teaches, topic by topic, truth by truth. The great thing is these truths aren't reserved for people with PhDs. They're for real life. They're for you. *The Spirit of Russia* Tomáš Garrigue Masaryk, 1919 **The Promise** Tony Evans, 2008-09-01 Do you want to be challenged to deepen your understanding of the characteristics and requirements of Almighty God? The *Understanding God Series* contains the bulk of Pastor Tony Evans' compelling and hard-hitting resources on the essentials about God: Jesus Christ, the Holy Spirit, Spiritual Warfare, and prophecy. Now available in paperback, readers will not want to be without a single book in the series by this popular and powerful speaker and author. Christ promised He'd send a helper. The Holy Spirit is a real person who desires to guide our thoughts and actions toward the holiness of God. Tony Evans unfolds the work of the Holy Spirit in this very practical and helpful study of the third person of the Trinity. [The Breaking of the Outer Man and the Release of the Spirit](#) Watchman Nee, 1997-06 Every Christian who has believed into Christ and received Him has a desire to grow in Him. The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships; rather, they are a mind in need of renewing, a will in need of submission to God, and an emotion in need of stability. In *The Breaking of the Outer Man and the Release of the Spirit*, Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God. In a new and revised translation of this spiritual classic, Watchman Nee provides crucial insight into the Biblical revelation of the necessity of the dividing of our soul from our spirit. Back cover *Disciplines of the Heart* Anne Ortlund, 1989-10 **How to Study the Bible & The Breaking of the Outer Man and the Release of the Spirit** Watchman Nee, 1994-09-01 The Bible is the inspired word of God, and every believer should study

it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established Word. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible. Even with the right methods, we can receive very little in our study of the Bible if our person is not proper before the Lord. In a series of messages given to his co-workers in 1948 and 1949, Watchman Nee presents a balanced view of studying the Bible. In addition to providing practical guidelines for discovering the riches in God's word, He spends an equal amount of time to impart a burden that those who study the Bible must be proper persons before the Lord. Only then can we receive light and revelation from the Holy Scriptures. Every Christian who has believed into Christ has a desire to grow in Him. The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships; rather, they are a mind in need of renewing, a will in need of submission to God, and emotions in need of stability. In *The Breaking of the Outer Man and the Release of the Spirit*, Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God. In a new and revised translation of this spiritual classic, Watchman Nee provides crucial insight into the Biblical revelation of the necessity of the dividing of our soul from our spirit.
