## Spirit Of The Sun:

**The Spirit of God as Fire; the Globe Within the Sun Our Heaven** D. Mortimore, 2019-12-23 The Spirit of God as Fire the Globe Within the Sun Our Heaven is a philosophical book by D Mortimore that ties together the concepts of spirituality religion and astronomy with a view to forming a greater view about existence Excerpt Now you will remember that the heathen in ancient times and even so with them at the present day were always dismayed and frightened at the recurrence of an eclipse of the Sun and imagined the time of the world had come to an end But the science of astronomy has comprehended the laws of nature and has revealed the true causes of these seeming phenomena to the enlightenment of the world and many years previous to their occurrence Astronomers can foretell the day the hour and even the very moment when they will appear or be visible in any part of the world as also when they will disappear But we see however that God himself has spoken of such eclipses as signs in the heaven and yet they are eclipses of the Sun *The Spirit of God as Fire; the Globe Within the Sun Our Heaven. MORTIMORE, 1869 The Spirit of Vitalism Gertrud Hvidberg-Hansen, Gertrud Oelsner, 2011 This richly illustrated book outlines the strong Vitalistic movement in Denmark during the period 1890 1940 This movement emerged as a response to the rationalism and one sided intellectualism of a rigid bourgeois or decadent culture of the 19th century It constituted a number of cultural currents that were manifested in philosophy art and everyday life with an emphasis on the energy of youth the dynamic personality and the potential of the body Viewed in the wider perspective the aim of Vitalism s cult of the body was a revitalization that was to benefit not only the individual human being but the whole of culture Although the Vitalistic themes emanated from modern life they also drew artistic sustenance from Nordic mythology and Greek antiquity which served as the most important ideals in the modern pursuit of both physical and spiritual beauty Additionally the book highlights the prevalence of the interest in health and exercise and an increased attentiveness to hyg *Life and Teachings of Ramanuja, Or, The Spirit of Visistadivitism* M.
