

Respect

The end we are all separate; our stories, no matter how similar, come to a fork and diverge. We are drawn to each other because of our similarities, but it is our differences we must learn to respect.

Love

Love, like a river, will cut a new path whenever it meets an obstacle.

Courage

When your bow is broken and your last arrow spent, then shoot, shoot with your whole heart.

Honesty

Honesty is the first chapter in the book of wisdom.

Wisdom

Nothing will work unless you do.

Truth

If you cannot find the truth right where you are, where else do you expect to find it?

Humility

Humility is the foundation of all virtues.

Spirit Teachings:

Spirit Teachings William Stainton Moses, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1907 edition Excerpt to faith is a cunningly planned means of preventing man from discovering the errors and contradictions which through the pages of that infallible guide which is forced upon him Those who use the touchstone of reason discover them readily enough those who do not betake themselves to the refuge of faith and become blind devotees fanatical bigoted and irrational conformed to a groove in which they have been educated and from which they have not broken loose simply because they have not dared to think It would be hard for man to devise a means of cramping the mind and dwarfing the spirit more complete than this persuading a man that he must not think about matters of religion It is one which paralyses all freedom of thought and renders it almost impossible for the soul to rise The spirit is condemned to a hereditary religion whether suited or not to its wants It is absolutely without choice as to that which is the food of its real life That which may have suited a far off ancestor may be quite unsuited to a struggling spirit that lives in other times from those in which such ideas had force and vitality And so the spirit's vital nourishment is made a question of birth and locality It is a matter over which they can exercise no personal control whether they are to be Christian Mahomedan or as you say heathen whether their God is to be the Great Spirit of the Red Indian or the fetish of the savage whether his prophet be Christ or Mahomet or Confucius in short whether their notion of religion be that prevalent in east west north or south for in all quarters they have evolved for themselves a theology which they teach their children as of binding force as supremely necessary for salvation It is important that Spirit Teachings William Stainton Moses, 1898 **Spirit Teachings** by William Stainton Moses first published in 1898 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **Spirit Teachings** M. A. Oxon, 1999-01-01 This Elibron Classics title is a reprint of the original edition published by the Psychological Press Association E W Allen in London 1883 **Teachings and Illustrations as They Emanate from the Spirit World** Mary Theresa Longley, 1908 **Life and Teachings of Ramanuja, Or, The Spirit of Visistadivitism** M. Rangacharulu, 1895 **Understanding the Holy Spirit** Lola Stradford Richey, 2011-09-02 What is the Holy Spirit Many differing names and interpretations surround this frequently misunderstood subject Even Christians who go to church every Sunday cannot seem to agree on what the Holy Spirit means to them Through concise study of biblical passages that clearly teach about the Holy Spirit's identity and purpose **Understanding the Holy Spirit** throws light on misplaced notions of the Holy Spirit exposing its

true meaning as the power of God Youll walk away knowing what importance the Holy Spirit holds in your everyday life why the Holy Spirit doesnt pertain to just one Christian denomination and how a clear understanding of the Holy Spirit can improve your spiritual health Discover how the Holy Spirit relates to God the Father and the Son and how the Holy Spirit reveals Gods presence Whether you are a new Christian a lifelong believer or someone who simply wants to learn more about the qualities of the Holy Spirit Understanding the Holy Spirit serves as a guide for biblical knowledge and spiritual wellness

No Quarter! Jean-Louis Blackburn,2021-08-26 This book is unlike any other interpretation of Ezekiel 38 and its context It requires intense study of context and parallel prophecies and disputes the interpretations of numerous scholars more respected than Jean Louis Blackburn But this interpretation has a niche in the annals of Bible study **The Padgett**

Messages-Soulful Teachings Living with Divine Love- Zara Borthwick,Nicholas Arnold,2018-07-31 Between the years 1914 1920 James E Padgett received spirit communications that introduce the Divine Love and natural love that are connected with teachings relating to the mortal soul God and the spirit world When James himself passed into his spirit life his friend Eugene Morgan received 3 known communications from James 1923 1925 In the year 2017 the message of Divine Love continues as James conveys spirit life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit life in the spirit world There is at present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love The Padgett Messages 1914 1920 and 2017 2018 provide a great reach of love that is an example for us all

Spurgeon,2016-08-14 Andrew B Spurgeon works directly from the Greek text of 1 Corinthians in a study of reverse contextualisation highlighting the commonalities between the contexts of Corinthian and Indian cultures and applying the epistle s principles to Indian Christians today In this unique commentary Spurgeon first presents Indian similarities to those in Corinth moves on to biblical principles the Apostle Paul raises for the Corinthian church s attention especially where culture was in conflict with biblical standards and finally reapplies these principles to the

context of life in twenty first century India This is an excellent resource for anyone wishing to study 1 Corinthians showing that God s Word is not only true but is just as relevant centuries later as when it was written **Spirit teachings, publ. by M.A., Oxon.
