Kelly E. Hayes, 2024 Since its inauguration in 1960 Brazil's capital city Brasilia has become an internationally recognized center for eclectic forms of modern mysticism Among the dozens of New Age Spiritist esoteric and occult communities that have sprouted in the city and its environs the most spectacular is the Valley of the Dawn Vale do Amanhecer Equal parts religious movement enchanted city utopian vision and theatrical spectacle the Valley of the Dawn is a unique psychic ecosystem Community members consider themselves the spiritual descendants of an ancient race of extraterrestrials originally sent to galvanize humanity's cultural and spiritual evolution Wearing dazzling garments that reference their past lives in different cultural eras adherents perform daily ceremonies for karmic redemption and offer spiritual healing services free of charge to the public The Valley of the Dawn was founded by a charismatic spirit medium called Aunt Neiva a widowed mother of four who came to Brasilia in 1957 to work in the construction of the new capital city Over two decades Aunt Neiva established a spiritual metropolis that today is home to over 25 000 people and the headquarters of a global religious movement with more than 800 affiliated temples worldwide *Spirits of the Space Age* details the Valley's historical emergence placing it within the context of mid twentieth century Brazil and explores its imagined world the imaginative and collectively shared representations that foster a common sense of identity meaning and purpose among Valley members Drawing on extensive ethnographic fieldwork it offers a narrative portrait of a new religious movement as seen in and through the lives of Aunt Neiva her most important collaborators and contemporary adherents By presenting a more complete picture of the Valley of the Dawn this book counters the persistent media representations of the Valley as a cult But it also illuminates how religious movements respond to their place and time even as they situate themselves in relationship to imagined otherworlds and times
