Spiritual Direction and Midlife Development Raymond Studzinski, 1985 Spiritual Direction and Midlife Development Raymond Studzinski (o.s.b.), 1985 **Asian Spiritualities and Social Transformation** Simon Shui-Man KWAN, Wai-Yin CHOW, 2023-10-17 This book offers a cross cultural and inter religious understanding of the ways social transformation in Asia is related to Asian spiritualities Bringing together scholars and practitioners from different cultures and fields of study it collates cutting edge research and applies it to the role of Asian spiritualities in social transformation Spirituality has garnered increasing attention in recent years across diverse fields of research and practice from psychology and healthcare to anthropology education sociology political sciences social work feminist studies cultural studies religious studies theology philosophy and so on However the term means different things within these different disciplines Spirituality can be understood to be private and personal but also public and societal not only as a force that brings about change but also one that helps maintain the status quo not only as a core element in religion but also as something disconnected from it This book poses that to gain a firm grasp of spirituality one needs to traverse these different terrains Disbarring the orientalist understanding of spirituality that is often found embedded in stereotypes of the East as mystical esoteric and spiritual in contrast to the West as scientific and rational this book deconstructs this binarism to enable a sophisticated understanding of the diversity within Eastern and Western spiritualities It presents Asian spirituality as a misnomer focusing on the plurality of spiritualities and the region's multifaceted religiosity and it also excavates interfaith terrains It is of interest to social scientists theologians and religious scholars and students and researchers interested in Asian spiritualities and social movements *Clinical Handbook of Pastoral Counseling* Robert J. Wicks, Richard D. Parsons, Donald Capps, 1993 Building on the groundbreaking original work with the same title these articles focus on current issues such as certain life stages special populations the devalued and abused the addicted and special issues of the 1990s **Changing Life Patterns** Elizabeth Liebert, 2000 *Seeking God In All Things* William Reiser, 2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What's Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a
