Stories to Tell to Show His Greatness Eunice Anita,2015-03-11 Highly educated people have a tendency to believe that all they have achieved in their life is only because of their hard work I had the same perception even though I believed in God Experiences with the Holy Spirit have taught me that all highly educated people must ask themselves where all of the wisdom of the world and their own capabilities came from Highly educated people just like everyone else must give praise and worship to the Creator As we are in the end times the time that the seals are will be broken and the horsemen send to earth Revelation 6 God is calling on the highly educated to recognize Him as their Lord and Savior The man on the horse on the front cover represents highly educated people that since ancient times are predominantly the ones that own and ride horses The man is approaching the crossroad where he has to take a decision Will he choose for Jesus and eternal salvation or continue as usual with the focus on earthly things This is the question all highly educated people must ask themselves The horsemen on the back cover that are coming will comply with the mandate given to them from heaven On which road will you be as they strike In this book you will read the process that I went through before recognizing that God Almighty is more than my mind can comprehend God has turned this well educated person which often went to a service but had never experienced His signs and wonders into a person who is anointed for prophetic dance who can pray in tongues and is a leader As Adonai has prepared me He has also been preparing you to work for His ministry Salvation lies in the decisions that you make I took the decision to accept Jesus as my Savior and to walk in the path that the Father had designed for me I trust that after reading this book you too will take a decision and start walking on the path that God has for you so you can be part of the crowd that Jesus will take to eternal salvation **Bulletin and Review** Keats-Shelley Memorial, Rome,1913
