## **Spiritual Classics Early Church:**

**Spiritual Classics from the Early Church**, 1995 This is an exploration of the rich spirituality of the Church Fathers found in the writings of Cyprian the Desert Fathers and Mothers Basil the Great Gregory of Nyssa John Chrysostom Augustine Benedict and Gregory the Great Early Christian Fathers Cyril Charles Richardson, 1953 **Prayers of the Early Church** J. Potts, 2016-05-27 The prayers have been selected primarily for their spiritual and devotional content Many have been laid aside with regret that they could not be included in this book but its compass in size is set and only so many can be used The prayers are arranged chronologically Some other method of arrangement might have been chosen but this seemed good in order to represent each century There are questions about the date and authorship of the prayers They are the same questions that arise in reference to the Books of the Bible This book of prayers is published with the hope and prayer that it may have wide use It has been prepared for individual and family devotions It can be used with prayer groups in prayer meetings for cells and of course for the development of one's own personal spiritual life The material is perfect for use in the devotional services of young people's groups women's groups and men's clubs The prayers are excellent for insertion in church bulletins Other ways will be found of making these great prayers usable The prayers have been collected from many old books of prayers and devotional materials The editor is deeply indebted to all those who have ploughed the field before They have labored and we have entered into their labors It has been a joy to search out the material to arrange the prayers to put them in order and to index them under so many subjects **Early Christian Writings** Various, 1987-09-01 The writings in this volume cast a glimmer of light upon the emerging traditions and organization of the infant church during an otherwise little known period of its development A selection of letters and small scale theological treatises from a group known as the Apostolic Fathers several of whom were probably disciples of the Apostles they provide a first hand account of the early Church and outline a form of early Christianity still drawing on the theology and traditions of its parent religion Judaism Included here are the first Epistle of Bishop Clement of Rome an impassioned plea for harmony The Epistle of Polycarp The Epistle of Barnabas The Didache and the Seven Epistles written by Ignatius of Antioch among them his moving appeal to the Romans that they grant him a martyr's death For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Reading the Christian Spiritual Classics Jamin Goggin, Kyle C. Strobel, 2013-05-01 This new collection of essays edited by Kyle Strobel and Jamin Goggin offers an evangelical hermeneutic for reading the Christian spiritual classics Addressing the why what and how of reading these texts these essays challenge us to find our own questions deepened by the church's long history of spiritual reflection Early Medieval

Theology George Englert McCracken, Allen Cabaniss, 1957      *The Early Church* W.H.C. Frend, 2013-01-25 Aimed at the undergraduate academic and interested lay person this is a classic history of the formative period of the Church It includes an account of Rome and 1st century Judaism the Gnostics and the conflicts of Eastern Christendom and examines such figures as Origen Arian and St Augustine of Hippo A bibliography of general works on Church history is also included

*The Early Christian Fathers* Henry Bettenson, 1956 There is now a wide and growing appreciation of the value and relevance of the writings of the Fathers of the early Church even for non academic readers and particularly for all who wish to understand Christian doctrine The authors presented in this volume are the principal writers of the Church in the Roman Empire from the period immediately after the New Testament down to the age of Constantine and the Council of Nicaea The editor has selected passages to display as full as possible the thought of the early Fathers especially on the great doctrinal themes and has himself translated them afresh with brief annotation where necessary

**Early Church Classics**, 1916      The Spiritual Life Adolphe Tanquerey, 1930      *A History of the Early Church to AD 500* John William Charles Wand, 2008-03-07 Dr Wand's classic treatment of the early church is concise comprehensive and makes use of specialist treatises The organisation of material and lucid style make accessible what is at times a complex subject In addition the book is full of vignettes of prominent personages and curious items of information Interesting and informative A History of Early Church caters for the general reader with an interest in history as well as the religious studies student for whom it is principally intended

**Early Church Classics; St. Polycarp, Bishop of Smyrna** Blomfield Jackson, Society for Promoting Christian Knowl, 2023-07-18 This classic work provides an essential look into the life and teachings of St Polycarp one of the most important figures in early Christianity Jackson's insightful and scholarly commentary provides a valuable historical context for St Polycarp's teachings making this an important resource for anyone interested in the history of the Christian church This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Clementine Homilies Pope Clement I, 1870 The Homilies of Pope Clement I are classic early Christian writings vividly depicting the philosophical and religious discussions of the early church fathers This lengthy and elaborate narrative is in the format of an address given in the voice of Clement I to the James the Just the Bishop of Jerusalem in the mid 1st century The topics range between belief in

the Lord God the nature and existence of immortality and various religious questions and philosophic ideas Later we hear of Clement's activities spanning Rome Palestine Egypt and elsewhere the spiritual events he officiated and sermons he delivered to early believers Modern theologians and scholars do not generally consider the Clementine Homilies to have been penned by Pope Clement I c 35-99 AD himself Instead they are attributed to a Pseudo Clement who lived sometime between the 2nd and 4th centuries A D Nevertheless the works are valuable both as a manner of biographical study and for their insight into early Christian history and culture A multitude of references to important events which combined depict an evolution of the church from small localized groups of adherents into an organized and cohesive whole remains of great interest
