

# Different types of experience: psychosis and spirituality revisited.

Mental health breakdown is a common human experience

- Comes from a combination of
  - Individual vulnerability/sensitivity
  - Life circumstances – losses etc.
  - Leading to unmanageable feelings
  - It often happens at times of transition
- For some – the other dimension, across the threshold opens up
- A way out of the impasse ?
- Creative. Transformational ?
- Disorienting. Terrifying ?
- A journey into territory where there are no maps, no guarantees.

# Spirituality Revisited

**Christian G. Meyer**
