Ray S. Anderson

Spirituality Of Hope:

A Spirituality of Hope Debby Chaddick, 2008-09 A Spirituality of Hope addresses the isolation of chronic pain and grief and the loneliness created by a westernized Christian culture that often appears to be more interested in uniform behavior than the growth of each individual This is the story of one individual's journey into discovery By questioning long held beliefs searching for truth and seeking wisdom from a variety of spiritual and intellectual mentors doubt was replaced by a spirituality of hope What followed offered a unique perspective in achieving a peaceful acceptance and finding joy along the way It is the desire of this author that readers find solace companionship and comfort within these pages It is more than a self help book It is a companion on one of life's most difficult journeys the journey through pain and grief Above all it is a message of hope
