**Spitfire Singh** Mike Edwards,2017-05-24 Their willingness to pay any price to uphold the honour and integrity of their Air Force meant an uphill battle against bigotry difficult conditions of work and outdated equipment However showing tremendous fortitude Harjinder and his men took the fight to the enemy and rose splendidly to the occasion Be it the formidable Japanese the mighty Germans or the resolute tribal warriors none could break the spirit of these airborne Indians It is a story of relentless adventure journeying from the scrublands of the North Western Frontier to the jungles of Burma to the UK on the eve of D Day and to the corridors of power in an independent India The resourcefulness of the Indians and their sheer skill and determination meant that they could overcome the myriad of challenges thrown at them much to the surprise and dismay of some officers of the Raj It is a story of mutual respect forged and strengthened across lines of religion caste creed and race as the Indian s undeniable courage and resilience won even the hearts and minds of their British

counterparts and one man was the center of it all Harjinder s is a life of intense friendship of great ingenuity and of hard work and dedication interspersed with the humor and merriment that is ever present in the military environment It was a bottom to top career for the lowly Hawai Sepoy who went on to become one of the top officers of the IAF He is credited with the endeavor to make the Indian Air force self reliant and designed built and test flew two different aircraft to prove his point He was one of the driving forces behind making the Indian Air Force the 4th largest in the world an astonishing feat given the twin challenges of nation building and partition Thus the only disgrace to emerge from this book is how Harjinder s story could remain untold for so long
