Splendor Of God

Thomas R. Schreiner

Splendor Of God:

Paul, Apostle of God's Glory in Christ Thomas R. Schreiner,2006-02-01 Thomas R Schreiner gives a sound and insightful exposition and assessment of Paul s theology that is well geared to the needs of seminary students and working pastors **God on Trial** Paul K. Moser,2025-09-30 Moser a distinguished philosopher and author of a dozen books continues his quest to find an authentic credible philosophy of religion He asks Can we trust God How do we know that God is benevolent Are there any proofs that God means well and wants us to be well Part of being human is testing the divine Moser asserts putting God on trial so to speak to see if our faith in life and in God is really justified In the end the author finds that we are in fact conscious of the goodness of existence and the proof of God s morality lies in righteousness among humans people s ability to cultivate virtue in and among themselves Human testing is invited by God so long as we use the standard of goodness righteousness suited to a God worthy of worship The book advances this neglected truth In other words God is always seeking to show us God s goodness and our own goodness is itself a vindication of God s God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen,2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God s glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches The Lord of Glory Benjamin Breckinridge Warfield,1907 *The Jerusalem Tradition in the Late Second Temple Period* Heerak Christian Kim,2007 The Late Second Temple Period c 200 BC to 70 AD was a period of intense social changes

for the Jewish people During this period the Jewish people experienced a Syrian king defiling the Jerusalem Temple the Maccabean Revolt the celebration of Hanukkah the establishment of a competing Jewish temple in Egypt and the destruction of the Jerusalem Temple During this time Jews spread out all over the Diaspora The turmoil and the lack of visible cohesion have led many scholars to argue that there was no Jewish unity and no distinguishable Jewish identity in this time period This book argues against this trend in academia and posits that a strong Jerusalem tradition unified the Jewish people Book jacket

The Pulpit ,1900 **Groomed for Glory** De Wet Steyn,2014-12-01 There are many things that can be written and said concerning the nature of God but among the most mysterious aspects of His being is His glory His manifested presence When you have a revelation and an understanding of the manifested presence of God His glory you will grasp all the other aspects of God so much better We will never be able to completely understand or explain the full meaning of the glory of God It is beyond description and too marvelous for mere words In fact the glory of God is not something to be understood or explained but rather something to be displayed We need to be changed by the glory of God and then we need to reflect it to the world God is more excited to let His glory fill the earth than we are to spend time in His presence the realm of His glory Allow Pastor De Wet Steyn to give you the keys so you can open the door to a personal encounter with the glory of God so that it might be brought forth and released on earth The God We Worship Nicholas Wolterstorff,2015-04-09 In The God We Worship Nicholas Wolterstorff takes a ground up approach to liturgical theology examining the oft hidden implications of traditional elements of liturgy Given that no liturgy has ever been composed from scratch Wolterstorff argues that the assumptions taken into worship are key to perceiving the real depths of historical Christianity s understanding of God Across the liturgies of the Orthodox Catholic Episcopal Lutheran and Reformed churches Wolterstorff highlights theologically neglected elements of God such as an implicit liturgical understanding of God as listener A dissection of liturgy is not only interesting Wolterstorff argues but crucial for reconciling differences between the God studied by theologians and the God worshiped by churchgoers on Sunday **God's Guide to Freedom** Carl Barrett,2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don t know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that s keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that s where spiritual freedom comes to the surface in our intentional lives **Knowing God's Truth** Jon
