Understanding Folk Religion: 25th Anniversary Edition Paul G. Hiebert, R. Daniel Shaw, Tite Tienou, 2024-04-24 This book has served the missiological community for twenty five years as a resource for understanding human spirituality in any context Thousands of students have incorporated the principles of this book into ministry around the globe This twenty fifth anniversary edition seeks to enable those who now bring their passion for mission to contemporary contexts affected by globalization climate change and political perspectives unimagined when this book originally appeared Every community wherever it is on earth has its share of beliefs and values that manifest themselves in practices that reflect spiritual engagement Those engaged in mission need to appreciate how underlying beliefs and values are reflected in handling spiritual power worship and blessing and interaction with others Gospel communicators must account for these elements as they seek to make God's intentions known to people who are searching for God The models presented early in the book are essential for establishing what people consider spiritually critical Applying these models in any religious environment will enable message bearers to engage with beliefs and practices that promote a gospel presentation that makes sense To that end we commend this book for effective missional engagement

Phenomena and Their Interpretation Jaime C. Bulatao, 1992 The Asianization of Christianity Jonathan D. James, 2024 The Asianization of Christianity is a catalyst to change the mission landscape of Asia by making the Gospel more accessible to Hindus Buddhists Muslims Animists and others It is hoped that a new generation of mission leaders will use these culturally specific principles to build bridges from the heart of God to the heart of Asian cultures

Foreword by Miriam Adeney The Great CoMission Brooks St. Clair Morton,2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church *The Asian Religious Sensibility and Christian (Carmelite) Spirituality* Susana José,1983 The Asian Religious Sensibility and Christian (Carmelite) Spirituality Josefina D. Constantino,Susana José,1983 **Hybridising East and West** Dominique Schirmer,Gernot Saalman,Christl Kessler,2006 Up to now debates on hybridisation are rather theoretical This book takes an empirical look at both everyday cultures and lifestyles religion medicine and scientific cultures and the directions of influences The findings suggest that hybridity and hybridising have to be conceptualised as processes of mixture relevant for constructing identities being increasingly positively denoted and displaying the multidirectionality and multidimensionality of hybridising processes In our globalised world such a mixture is very frequent highly present and rather inescapable *The Filipino in the Seventies* Vitaliano R. Gorospe,Richard L. Deats,1973 **Philippine Journal of Education** ,1969 The Gospel is Not Western G. W. Trompf,1987 Almost all the papers contained in this book were first presented at a conference held in the Brisbane suburb of Coorparoo August 10 14 1981 Acknowledgements Bibliography p 199 213 **Why Settle for More and Miss the Best?** Tom Sine,1987 **The Christian** ,1965 **Beyond the Classroom** Asuncion David Maramba,2006 *Oriental Studies in the USSR* ,1990 *Doing Theology in the Philippines* ,2005 *Religious Movements in Melanesia Today* ,1984
