Teachers Are Special:

Teachers Are Special Nancy Burke, 1997-02-01 A TRIBUTE TO THOSE WHO EDUCATE ENCOURAGE AND INSPIRE All of us can recall a certain teacher a very special someone who inspired us to learn This person is usually a school teacher but may also be a coach mentor parent or friend Teachers come in many shapes and sizes but what is it that makes one great This book gives many answers to this question from many sources It includes quotes from famous thinkers leaders and speakers as well as letters from little known yet highly insightful students and teachers You will find these comments fun inspirational and even powerful This tribute to and for teachers celebrates the special and often heroic role they play in their students lives Teachers work for love not money Yet they often receive too little reimbursement in the form of our gratitude Teachers are Special is created as a simple way of saying Thank you to our most inspiring teachers Offer it as a gift to a special educator or read it to remind yourself of the value of learning

What's So Special about Special Education? Susan McBrine, 2015-11-24 What's So Special About Special Education is a short practical realistic guide for teachers in special education particularly those working with children with severe disabilities to more effectively communicate with classroom parents It is written from the perspective of a veteran special education teacher and mother of a child with severe disabilities who often mentored new teachers seeking advice about how

to deal with their student s parents The book offers teachers information about how to communicate with parents and form a partnership that will make the classroom experience more effective and the teacher s job easier It covers things every special ed teacher needs to know to succeed in this challenging field and offers a view from both sides of the IEP This information is often not taught in teacher training courses but it is essential for teachers struggling with the many facets of their students disabilities Parents and other school professionals will benefit from this book and may find it helpful to give it to their students teachers It is a useful handbook for in service or for reading before IEPs and the beginning of every school year
