**Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare** Ramsis Ghaly MD FACS, 2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to my patients and to my residents As a physician I have reached the top within America both as a professor of neurological surgery and anesthesiology and as a well published author of several famous medical journals As an academic teacher I trained for more than thirty four years and have watched thousands of trainees graduate But all this is nothing as I strive to achieve Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual miracles testimonials and sincere quotes from patients as a testament to the Almighty and the dire need for faith and good hearted medicine This book is full of many vibrant stories that I love to share which is timely since I am guessing that my generation will soon be viewed obsolete by future generations What will remain are the books I authored This book is a text of wealth covering broad and diverse topics in my life journey within 134 chapters and organized over fourteen sections So many chapters are written about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love

for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about **Deep Scars (Sweet Historical Western Romance)** Amber Aames, Breanna McCullough lives a life of self imposed isolation due to the scars on her face She s used to being alone but that doesn t mean she isn t lonely When she finds a man in her barn shot through the head she nurses him back to health with Dr Luke s help She soon forms an attachment but she s convinced a man like Grady Pellegrin could never look past her deep scars to see the kind soul inside She s underestimating him and Grady intends to prove that to her Unfortunately the gang of outlaws who shot him aren t done with him yet and when they put his woman s life in danger Grady will protect her at any cost Primrose Valley is an ongoing series where the town and people will continue to develop with each new addition to the series Each story will focus on a different couple while deepening the storyline and enhancing the characters story arcs at the same time as allowing readers to get an ever deepening look at the town and the people who comprise it My Journey Ramsis F. Ghaly MD FACS,2020-03-16 My journey is documented in this two volume book numbers 14th and 15th of my series Christianity and the Human Brain My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a dream I had in 1974 with his words Son study all these books in my hand and I shall bless you and bless your patients Today 35 years later I continue to dedicate my life to my Lord my patients and the residents I mentor The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations There are many stories and reflections to share with you Lessons learned in various topics It is my honor to share with you my journey and my Joy The two volume books contain 181 chapters distributed in twenty sections ten in each volume covering major highlights in my life journey In addition to deep reflections from my own life stories in faith and medicine topics include Jesus love patient care the human brain neurosurgery illness residents healthcare crises meditations and memories over four decades I hope you the reader to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me Blessed are those striving early on in their life to serve our Savior Jesus Christ to him is the glory for ever and ever Amen **New York Supreme Court Appellate Division-Third Department , New York Supreme Court , Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1998 ,1997 ALEXIS E.
