The Son of Seven Mothers Benjamin Risha,2021-03-23 A man shares his story of growing up in a late 20th century American cult and how he escaped in this gripping autobiography As the adopted son of two cult leaders Benjamin Risha was raised to someday assume a place of leadership in the Alamo Christian Foundation with the Bible and his parents interpretations of it as his guide He believed the prophecies of his adoptive mother and father Tony and Susan Alamo including them being the two prophets foretold in the Book of Revelations who precede the second coming of Jesus Christ them rising from the dead after they died and such dire warnings as the ground opening up to swallow non believers into hell And he was sure that Susan Alamo could raise the dead as promised However when none of it happened and the foundation slid from bucolic communal lifestyle to insufferable criminality that included absolute obedience to the Alamos and polygamous marriages with girls as young as eight years old Benjamin knew he had to escape If he were caught trying to escape he would be severely beaten forced to go without food and water for his sins and shamed in the community So he embarked on a journey to locate his birth parents discover the truth about a world he knew nothing about and find himself In *The Son of Seven Mothers* Benjamin Risha takes readers on a harrowing journey that few in the United States can imagine And eventually he must choose between the life he knows and was chosen to lead and his freedom
