eyes change color it does not really matter Noah's dad isn't much help either which is totally annoying because he could be if he wanted to Christian has had his awakening when he was about Noah's age but he has always refused to speak about them Though they love each other very much the strain is starting to show Things come to a head when they are attacked in the streets and Noah cannot help his dad defend himself So they embark on a journey across the United States to find out what his powers are With his father not trusting the authorities they have to learn to defend themselves Can Noah be the fighter his father is They will have to find out together In a super society where everyone has a power called a Sphere of Influence Noah might have gotten more than he bargained for About the Author When one lives in a place as dull and drab as Nebraska they must learn to entertain themselves Not wanting to spend his days breaking the law and drinking away his sorrows Kyle Payne instead decided to fill his day with books film and video games Fantasy was a much needed outlet for when one lives in the middle of nowhere Growing up on Harry Potter and the Lord of the Rings left him with a lifelong love of literature He went to college at the University of Nebraska at Kearney with a Bachelor's degree in Psychology Understanding the human mind helped him to develop his characters He cares for people who have mental disabilities Now happily living in the city he enjoys going to the gym walking in the park and watching plays He has a fondness for cats and dogs and hopes to continue to work as a writer Single he lives alone in his apartment in downtown Omaha He occasionally likes to hang out with friends and watch movies at home One day he hopes to be as big a writer as Stephen King or George R R Martin though in the short term he hopes to make enough money to become a write full time

Homeland Z George R. N.,2023-02-08 After the death of his father Logan goes to a wild party doing the only thing that makes sense to him at the time The next day he wakes up to find that everyone is gone Almost everyone Or so it seems at first But as he steps outside his house he realises the world he knew is no longer as he remembers it Everyone is in grave danger yet all Logan can think about is finding his friends On his long and treacherous journey he encounters new allies and new enemies For a brief moment he sees a light at the end of the tunnel but then his world turns grim and his true nightmares begin Ugly and brutal everything changed overnight when a deadly virus broke out rapidly spreading across the beautiful island of Heiwa The army's efforts to contain it fail and it quickly turns into a pandemic All hope for humanity seems lost The ever evolving virus is powerful and the population of Heiwa dwindles rapidly many die while others survive only to be transformed into an angry eternally raging and ravenous mass of cannibalistic infected The new threat to humanity is humanity itself Unlike healthy people the infected never tire never feel pain but are always hungry Primal and bloodthirsty they kill to eat spreading death and terror wherever they roam How long can one man survive when all odds are against him
