Thanksgiving Turkey:

The Turkey Andrew F. Smith, 2006-09-22 Food historian Andrew F Smith presents the turkey in ten courses beginning with the bird itself actually several species of it in the wild The Turkey subsequently includes discussions of practically every aspect of the icon including its arrival in early America how it came to be called turkey its domestication and mating habits the expansion of the bird s territory into Europe conditions in modern turkey processing plants and the surprising boom or bust cycles in turkey husbandry The bird s ascension to holiday mainstay and the techniques of stuffing are also discussed As one of the easiest foods to cook the turkey s culinary possibilities have been widely explored if little noted The second half of this book is a collection of more than a hundred historical and modern turkey recipes from across America and Europe
