The Devils Dna:

The Devil's DNA Cynthia Lucy Dale,2001-04-18 The Devil s DNA is a novel about the mystery of DNA It attempts to tease the reader s intellect and defy traditional categories possibly it is a novel of ideas produced in reponse to the science of genetic engineering possibly a thriller possibly a Scottish romance It can be seen as a response to the science of genetic engineering just as Robert Louis Stevenson s The Body Snatcher was a response to the new science of anatomy The plot is that of an adventure story in which the villains use genetic engineering for illegal purposes The book also incorporates an exploration of the theme of genetics in a wider sense encompassing popular genealogies of kings and queens family and sexual relationships and the author s own blood relationship to RLS The book is set mainly in Scotland in Edinburgh and East Lothian the places where RLS and the author lived as children The little island the Bass Rock which Stevenson uses for a kidnap in Catriona and on which he placed a protagonist with the name of the author s great grandfather is central to the book More Info http://www.cynthialucydale.org.uk/Frontpage/index_ddna.htm Email cynthia@cynthialucydale.org.uk [The Devil's DNA](#) Rodney Wilson,2025-07-24 [Devil's DNA #2](#) Rodney Wilson,2025-07 [EVELINA](#) David Gomadza, A suspenseful romantic action packed thriller A gorgeous young lady turned Most Wanted A romantic trip and a love to die for A hidden secret An evil brutal regime practicing a cult they believe existed even before God created the world Until the regime is stopped life is on the line A must read ABOUT THE SERIES EVELINA A secret cult that existed even before this world was created is still at the center of murder a thousand years later [Evelina The Omega](#) David Gomadza, This is book 2 of the Evelina series Things get even hot Raised stakes and a matter of life or death Mankind s existence rest on the shoulders of one woman The Omega The first woman has become the last woman The only true seal What if it was all planned before this world was created [Deal with the Devil](#) Kit Rocha,2020-07-28 Deal with the Devil is Orphan Black meets the post apocalyptic Avengers by USA Today and New York Times bestselling author duo Kit Rocha Nina is an information broker with a mission she and her team of mercenary librarians use their knowledge to save the hopeless in a crumbling America Knox is the bitter battle weary captain of the Silver Devils His squad of supersoldiers went AWOL to avoid slaughtering innocents and now he s fighting to survive They re on a deadly collision course and the passion that flares between them only makes it more dangerous They could burn down the world destroying each other in the process Or they could do the impossible team up This is the first book in a near future science fiction series with elements of romance At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied [EVELINA God's Dilemma Solved](#) David Gomadza, This is book 3 of the Evelina series Where it all boils down to the ultimate climax after the collision that was set up in the beginning materialize here with devastating consequences leaving mankind hanging on a small thread On the edge of the seat suspenseful action packed thriller The revelation of secrets that existed before this world was created Fascinating and thrilling A must read [F.A.D.N.A. undertones to the reality of working with substance misuse Empathy for the Devil provides positive and reflective support for both experienced and novice workers or those affected by others use It suggests ways ahead for social workers stuck in seemingly perennial impasses as they strive with their colleagues to address multi faceted and entrenched problems Increasingly social policy now demands evidence based practice putting ever greater pressure on professionals from all disciplines to grasp the core ideas and skills drawn from research findings But this research is often too arid and abstract and can make the lay person feel even more under skilled Empathy for the Devil bridges this chasm bringing together a wide range of proven skills in supporting people through change in an open and accessible way It illuminates the key ideas skills and techniques in addiction work Additionally it lucidly explains the latest findings in effective practice illustrating them with case examples and provides optional self reflective exercises and activities to aid learning and training For everyone working with people whose lives are affected by drugs or alcohol Empathy for the Devil provides new ideas and perspectives to address old and intractable problems
