Ronald E Brown, 2019-07 This is a narrative is a snapshot of redemption and transformation I used to wonder why my life had seemed like a slab of beef torn and bleeding thrown upon times hotness to be seared in the cast iron skillet of personal ignorance Leather tough on the outside but a dripping wound inside If this sounds familiar to you and you still feel this way from experiences that have been beyond your control then let me encourage you to read this book This book is about a life that started badly but will end well and the same solution can be had by anyone who so desires There are situations and circumstances that countless people are in or they are going through things so terrible that any solution seems impossible It is in those very dark places that the Lord makes the impossible possible a divine intervention that can and will change any physical circumstance Of course when I was in darkness the last thing that I wanted anyone to tell me was something about God I believed that I needed a tool that was harder and sharper than some old religion But just like everyone else who doesn't have a personal relationship with the Lord or know what the word of the Lord would say my mind was made up in another direction We often make major decisions on what we don't know about God and the extracted price for that is very high and more than we can afford to pay Because of what the Lord God said in His word I am convinced a solution escapes us because we are educated about the problem long before the thought of a solution arises Even though I am looking back from a lofty position of many years in the past It was not hindsight or anything I could claim from skillful thinking which caused such a dramatic turn of events It was simply the humble act of asking for help Now let's talk about that price which comes out of our

lack of knowledge Because of this lack of knowledge the box that we are born into will define borders or parameters that are given and set by those who love us claim to love us or just plain don't care The walls of your life box may have some visible aspects but it is the invisible which will affect you in every way The invisible world is magnitudes larger than the known world The generational curses passed down from parent to child dictate how a child will be twisted and turned from the planned path of the Lord God There are doorways of wrong spiritual influences many people never detect nor learn to close which flow into the life of the child This invasion of the child begins long before he becomes aware of it he only knows that something is wrong When that something wrong becomes their own belief that they are the wrong in some indefinable way the demonic influences will see to it that if the child lives he will have a hard bitter struggle that only the Lord God can change This is the golden path
