The Problem of Securing Closer Relationship Between Agricultural Development and Irrigation Construction

Arthur William Farrall, Arthur William Sampson, David Weeks, Earle Long Overholser, Frank Wisdom Allen, Grover Dean Turnbow, Henry Earnest Erdman, Robert Frederick Miller, Sherwood William Shear, William Michael Regan, 1927 **The Daughters Of The Land: The Pains and Dangers Of Wrong Relationships** EMMANUEL OKAFOR, 2025-10-04

The Daughters Of The Land is a true life narrative of a promising young lady the only daughter of a great man with an unusual destiny in line of a divine agenda For the purpose of clarity and vivid understanding of the lessons from this biblical epic story I will try to make an elaborate description as much as possible using present day realities meant to teach us morality which I consider an important life value gradually eluding this generation And Dinah the daughter of Leah which she bare unto Jacob went out to see the daughters of the land And when Shechem the son of Hamor the Hivite prince of the country saw her he took her and lay with her and defiled her Genesis 34 1 2 One of the major reasons of this project is meant to show us the result of the moral choices people make This passage doesn't teach that anything done by Jacob and his sons or Hamor and his sons is bad We need the rest of the Bible to know that rape and lying and profanity and murder are wrong What this passage does is shine a bright light on the unpleasantness and ridiculousness of wrongdoing It adds detail and depth and colour to the outline given in God's commands In some ways it is similar to what a gifted artist can do to a simple description of a script in a movie with the subject matter he helps you to truly appreciate the reality being described in heart and mind It is one thing then to say that our choices can make it easier or harder for others to sin against us that sin is always wicked and evil and destructive that it is always wicked to use the things of God as instruments of sin and that we sin is never the remedy for sin and another thing to see the true nature the true ugliness of these things played out in real life situations To simply state those things is to give us one kind of tool in our fight to live as we are made to To see them in the kind of detail this passage provides is another kind of tool altogether What a gift it is from God Of course none of us have lived rightly in light of the things on display in this passage or any other passage It is therefore great news indeed that our hope is not tied to our obedience but to Christ's Sin is never the remedy for sin but Jesus always is If we will trust in Him He will forgive us of every failure and empower us for every success His death on the cross secured everlasting life and peace for all who call on His name This passage shows what it looks like to trust in our own devices Jesus shows us what it looks like to hope in God Look to Him therefore and be saved This is a hard passage to read and much more so to preach It is a chapter we might be tempted to look away from I'd like to pretend that the kind of mischief described here doesn't exist anywhere much less among the people of God And yet as we all know all too well it does both in the bible and in our lives Because it is the Word of God we must not look away We must fix our eyes upon it that we might gain from it all that God means us to get from it By doing so in this channel by looking directly at the uncomfortable naughtiness in this chapter of the

bible we ll see four sections and in them four realities of wrongdoings and bad life style In the first passage we see the defilement of Dinah In the second we see Jacob and his sons finding out about the defilement and meeting the polluter and his father In the third scene the men of God plan their vengeance and begin to lay their trap And in the final scene we see vengeance executed And from these scenes we see real life examples of the biblical principles that our choices of relationships can make it easier or harder for others to sin against us that sin in the presence of the wrong people is always easily committed evil and destructive that it is always wicked to use the things of God as instruments of sin and that committing another sin is never the remedy for sin Let s pray that God would help us see these things in such a way as to transform us into greater degrees of godliness through them And let s thank God for the forgiveness that is already ours in Christ as we trust in Him The truth remains that being in a toxic relationship is incredibly stressful The constant tension conflicts and unpredictability can take a toll on mental health High levels of stress can lead to various physical and psychological problems including headaches sleep disturbances and difficulty concentrating This also brings isolation and loss of support Toxic partners may isolate their victims from friends family and other forms of support This isolation can lead to a sense of loneliness as well as a lack of outside perspective or resources to help cope with the toxic relationship It is important to note that this book does not classify the female gender as the only victim of negative relationships Both genders can be victims judging from the biblical story of Dinah the daughter of Leah who did not actually know she was going to be raped by Shechem the son of Hamor the Hivite but the company she found herself was a wrong platform Shechem the Prince of the country paid with his life after the incident He that walks with wise men shall be wise But a companion of fools shall be destroyed Proverbs 13 20 The company we keep determines what accompanies us The people you follow determines what follows you in the journey of life Take a moment to think about what choices you will make from what you will learn as you uncover the pages of this book Set a goal and write it down so you can track your progress If you want to be a godly man or woman and for God to bless and honour you and use you for his glory then you will pay special attention to this story because in this story lies a great warning to every one of us Such a great warning standing out like a beacon to the rest of humanity
