The Seasonable Angler:

The Seasonable Angler Nick Lyons, 2013-06-01 Nick Lyons's first fishing book *The Seasonable Angler* is the story of a fisherman's year from the projects and fantasies of an angler's winter through the thrill of a June evening's rise on the Beaverkill and on to the pleasures and melancholia of autumn trout fishing. In a book of spirited contrasts Nick Lyons recounts hilarious misadventures on opening day and on family trips as well as quiet moments when the fisherman becomes contemplative and close to nature. Lyons captures the excitement of catching a first trout and the sadness of having killed at times too many fish. There is an increasing respect for the natural world for conservation and for the spirit of the sport. Throughout *The Seasonable Angler* Lyons evokes the humor and lore of a man who has loved fishing deeply since early childhood. His book is not only for avid fishermen but also for everyone who appreciates fine writing about nature and who wants to understand what animates that strong clan of people who fish. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
